EL LOBO

1962

Foreword

If we have pictured your high school life in such a way that it brings you happy memories of things that are dear - we have not failed. When you are away and find time to turn the pages of this book, it is our desire that you regrasp a small part of the youth and spirit of your high school days in Levelland.

Dedication

Each year the El Lobo is dedicated to some deserving person. This year a person has been chosen who is truly dedicated to her profession and whose patience and thoughtful understanding will long be remembered by the students of LHS. We, therefore, respectfully dedicate this 1961-62 El Lobo to Mrs. Mildred McMurry.

As the culmination of the efforts of ten people, the 1962 EL LOBO is now presented. For nine long months and into the summer we worked and fought our varied ideas into some semblance of order. During the first several months we repeatedly changed our minds and revised and erased. Later came the identifying and copy-writing. Several of us attended J-Day at Tech and our editor and sponsor were in a summer institute in journalism. At left we are shown in a typical, "tired" pose during a working day.

We also had many pleasurable and helpful experiences in learning to work together and grew to enjoy each other's company so that by the end of the year, we seemed like one big happy family.

It has indeed been a pleasure to have served Levelland High School as the staff of the 1962 EL LOBO.

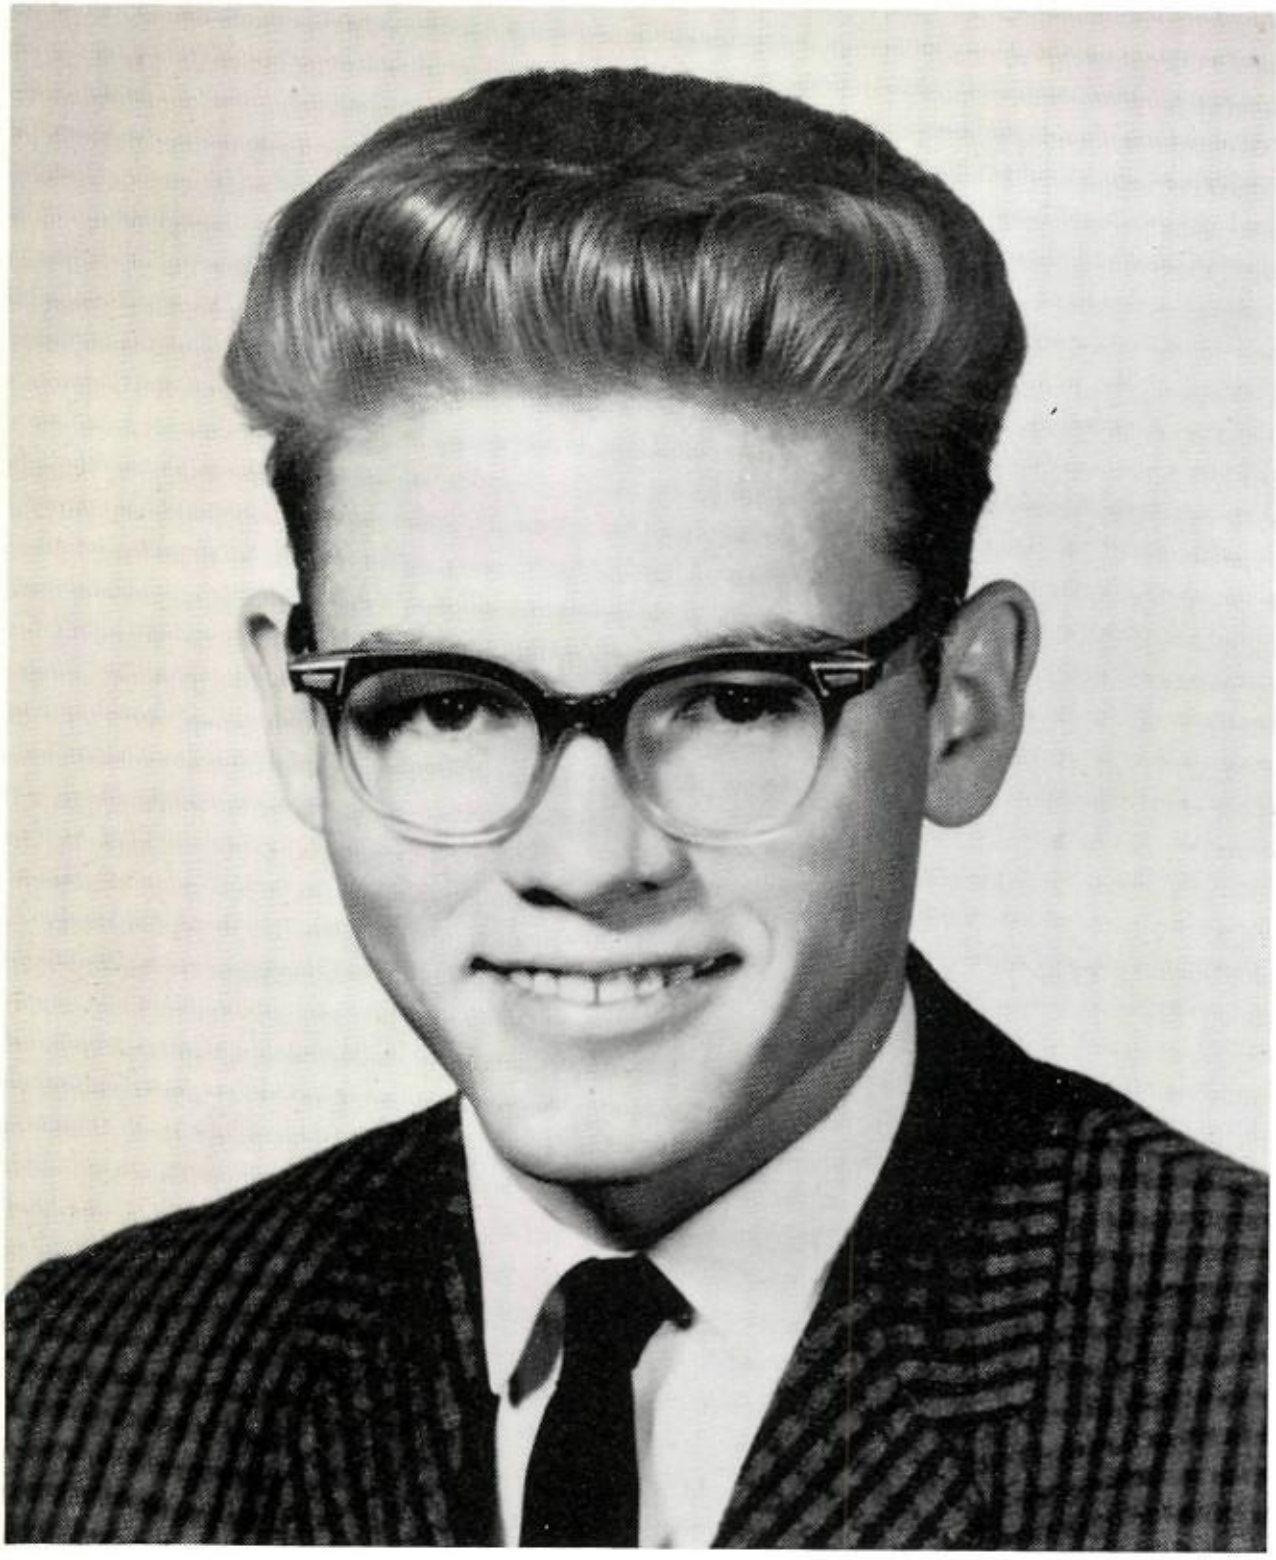
S.C. officers guided student body through year



I have been very happy to serve as Student Council President this year. I feel that it is an honor to have been able to work with such fine students and teachers in that capacity.

Much of the success of a school year is determined by the action of the Student Council. Therefore we may attribute much of the success of our past year to the many hard-working Council members who set up the Halloween activities, prepared the bon fire, organized assemblies, served on committees, arranged for after-game parties, and executed various other functions of the Council.

I am proud - as I'm sure everyone else at LHS is - to have been a part of such a program. It is my hope that with continued effort students of LHS in the future will realize as much success and satisfaction from their school years as we have from ours this year.

The Levelland Board of Education

The Board of Education is a group of responsible citizens elected by the people of Levelland. They determine the expenditures and policies of LHS each year and are responsible for the development and maintenance of our fine physical plant.

Seated around the table in Levelland's new administrative center at a regular business meeting are the following members: Mr. George Price, Mr. Headlee Bailey, Mrs. C. G. Dunn, Mr. O. L. Watson, Mr. Thad McDonnell, Mr. O. R. Watkins, Mr. Jack Ballow, and Dr. Raymond Reid. (Inset: Jim Wills)

Mr. Watson is president of the board with Mrs. Dunn, secretary. Mr. Watkins is business manager and Mr. John Dickson is his assistant.

"A thing of beauty is
a joy forever;
Its loveliness increases;
it will never
pass into nothingness;
but still will keep
a bower quiet for us,
and a sleep
full of sweet dreams,
and health, and quiet
breathing . . . "

LHS'ers found a new look when they started classes this year. During the summer new facilities including a cafeteria, three classrooms, and a language lab were completed. The science labs were also enlarged and remodeled. New tennis courts, long needed, were built immediately west of the new wing.

The new facilities are designed with both the students and the teachers in mind and have proved a popular addition to our high school campus.

LHS boasted new facilities this year

The cafeteria provides a much-needed general meeting and social center. Clubs found the small room which is partitioned off from the main cafeteria by folding doors especially handy for meetings by combining business with the pleasure of eating.

Above is the attractive north main entrance to the cafeteria wing while at right students and faculty are shown enjoying the noon meal in the spacious new cafeteria.

LEVELLAND INDEPENDENT SCHOOL DISTRICT
LEVELLAND, TEXAS

This publication reflects the growth and development of Levelland Senior High School since it gives each year a brief pictorial survey of the instructional, literary, social, and athletic activities of our student body. The EL LOBO has always been an important factor in recording the history of the Levelland Senior High School, reflecting as it should the spirit which has meant so much to our students and our community. In keeping with this spirit, I admonish each of you to strive, to seek, to find, and not to yield. The editor and sponsor of this volume are to be commended for this excellent publication.

Thad McDonnell
Superintendent

Dear Seniors and Underclassmen,

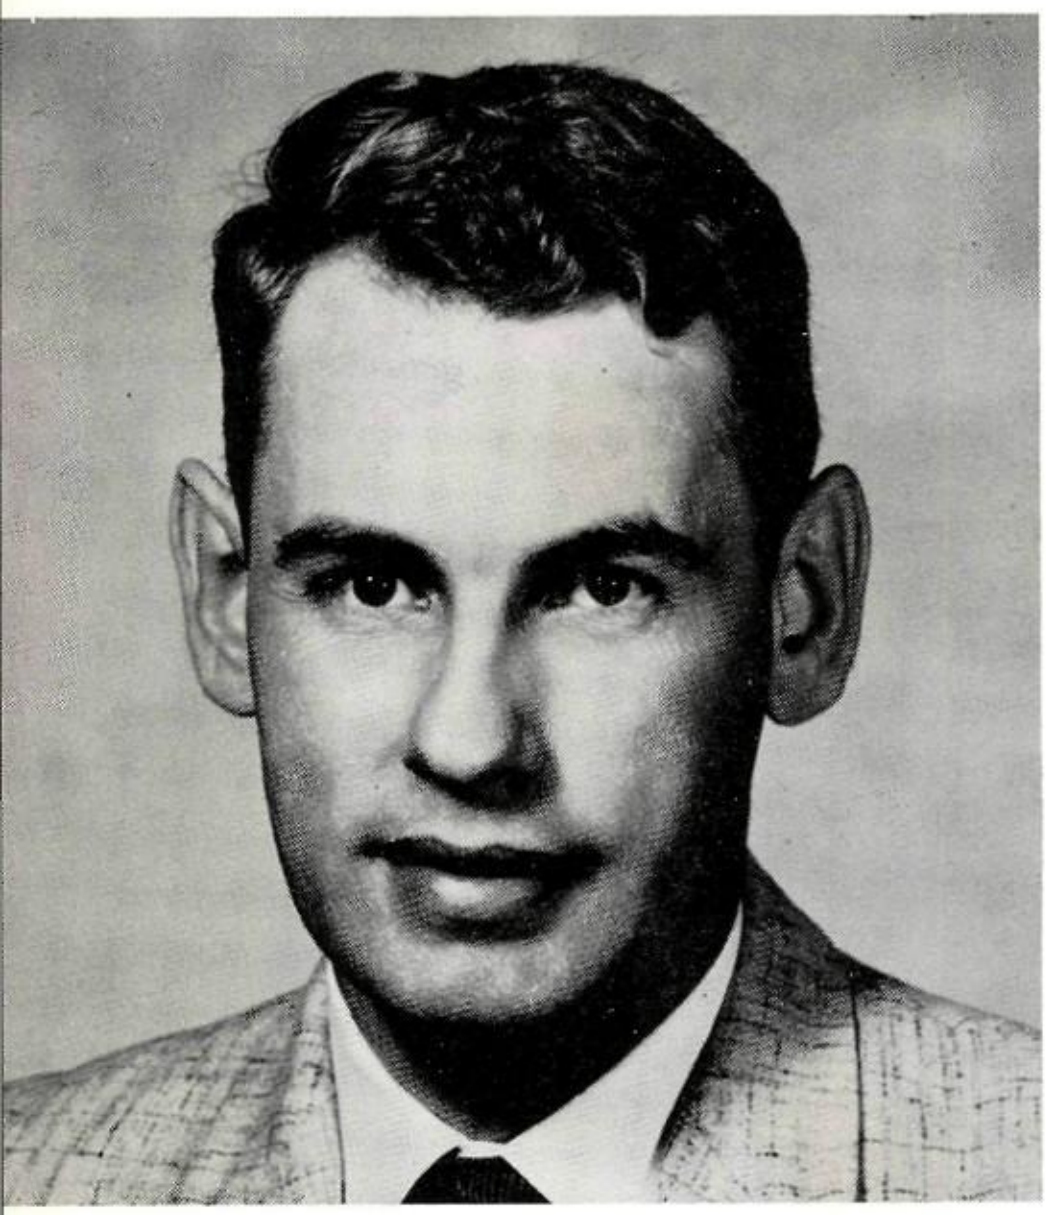
It is now time for another group of boys and girls to graduate from dear old Levelland High. It has been a great pleasure for me to have the opportunity of working with you for the past three years. May your future be as happy as this - your Senior year - has been, and may your efforts ever be liberally rewarded by success.

Someone once said "The nation that has the schools has the future." Another spoke thusly, "Manhood, not scholarship, is the first aim of education." It is true that much of the paramount aim is education - this manhood - this character by our actions, our speed, and our associates. Life, too, is a book in which we all write our lines. Let's make those lines worth reading.

W. L. Reed
Principal

I would like to take this opportunity to congratulate the staff of EL LOBO for putting together one of the best yearbooks in the history of Levelland High School. This outstanding work will be remembered and enjoyed by many for years to come. You have presented the most important function of the high school, scholastic and academic work, but not to the neglect of any other area. I highly commend you for preserving the posterity of the high school in such a good way. You have made history worth what it costs to make it!

Glen Morgan, Director
of Secondary Education



It has been my pleasure to have been associated with a school that has vigorously and enthusiastically participated in the exercises and activities necessary to the growth and development of the pupils in this community.

Student participation in the academic, athletic, and social activities has been on a plane that will develop wholesome personalities able to adapt and adjust to the ever changing conditions of society.

Society is in need of unique individuals. Standards set by this school will enable the development of self-knowledge, self-understanding and self-discipline necessary to the unique individual.

James E Webb

To help our school function properly is our registrar and secretary, Mrs. Arliss Railsback. The students and faculty consider her a great asset to our school system.

Helping Mr. McDonnell with his work is his reliable secretary, Mrs. Pauline Leatherman. She has been with the school several years and has done an excellent job each year.

Joining our school system for the first time this year is Mrs. Bill Vardeman, who is Mr. Morgan's secretary. She has done a great deal of satisfactory work for him and our school.

The secretaries of our Levelland School system are responsible for a great deal of help given to us as students and a faculty. Much appreciation and sincere thanks go to them throughout the school year for their helpful service.

Faculty . . .

Language Arts

One of the most important aims in Levelland Senior High is to produce in its students the ability to make their ideas known and understood. Our speech department and English department work together to help students master grammar and use it appropriately in general and public speaking. Our foreign languages not only enable students to converse in another language but help them to understand the English language more accurately.

Commercial Studies

Levelland High School students are provided with courses of basic instruction in business fields. Our science teachers are certainly interested in the organisms that they are examining. Mr. Balch, left, seems worried as he glances at Coucg Crouch's petri dish. RIGHT: Although Mrs. Parmer has been in L. H. S. only one year, she is already making plans for the Math-Science Fair.

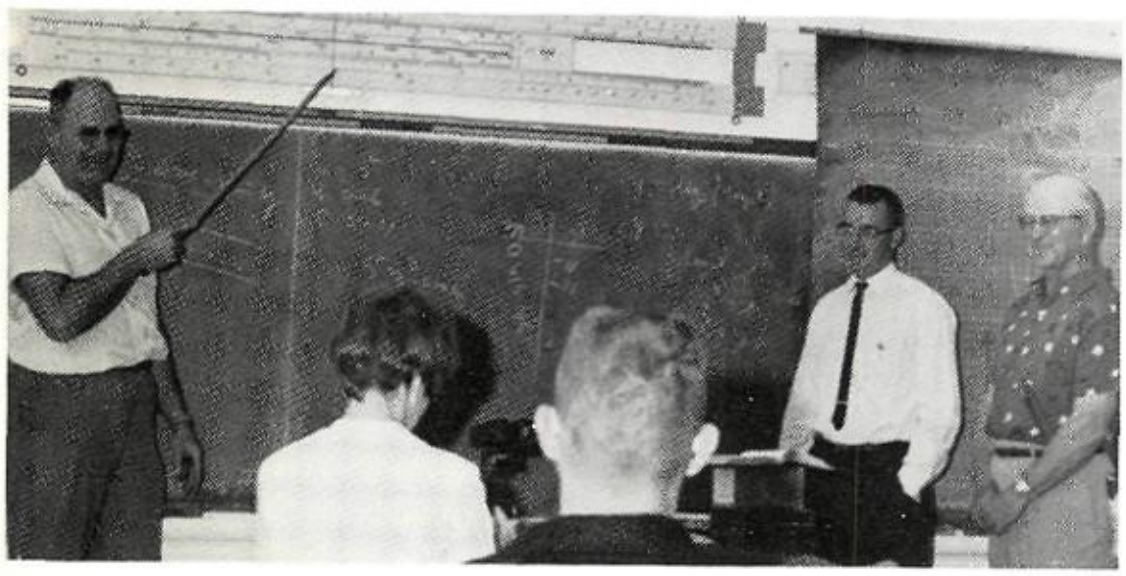
Math-Science

During the past five years, more importance has been placed on education. Math and science have become topics of interest, as well as importance. In the growing need for education our school has kept up with the demands for mathematical and scientific knowledge. Math and science fairs offer students the chance to use their knowledge in projects which may stimulate interest in them toward research fields.



A huge slide-rule is the center of interest as Mr. Kempson solves a difficult problem. The other math teachers, Mr. Pearce and Mr. Brashear, take time from their busy schedules to lend a helping hand in preparation for the Math-Science Fair.

Vocational

Training for a vocation early in life is important for later development. Our competent staff of vocational teachers gives a basic and fundamental knowledge of several important fields. Whether a student is preparing for college or is directly entering a profession, the information gained in homemaking, agriculture, auto mechanics, or distributive education will be invaluable in his future.

Working with the Fat Stock Show is Mr. Bill Whitfield. The Ag. boys study many areas of agriculture and learn the correct methods of raising and caring for livestock.

Music

Developing musical abilities in our students is only part of the work of Levelland's music department. A member of band or chorus will develop group co-operation, responsibility, promptness, obedience, and self-confidence. Our music department not only serves the school and community with music, but they also keep our school spirit soaring high.

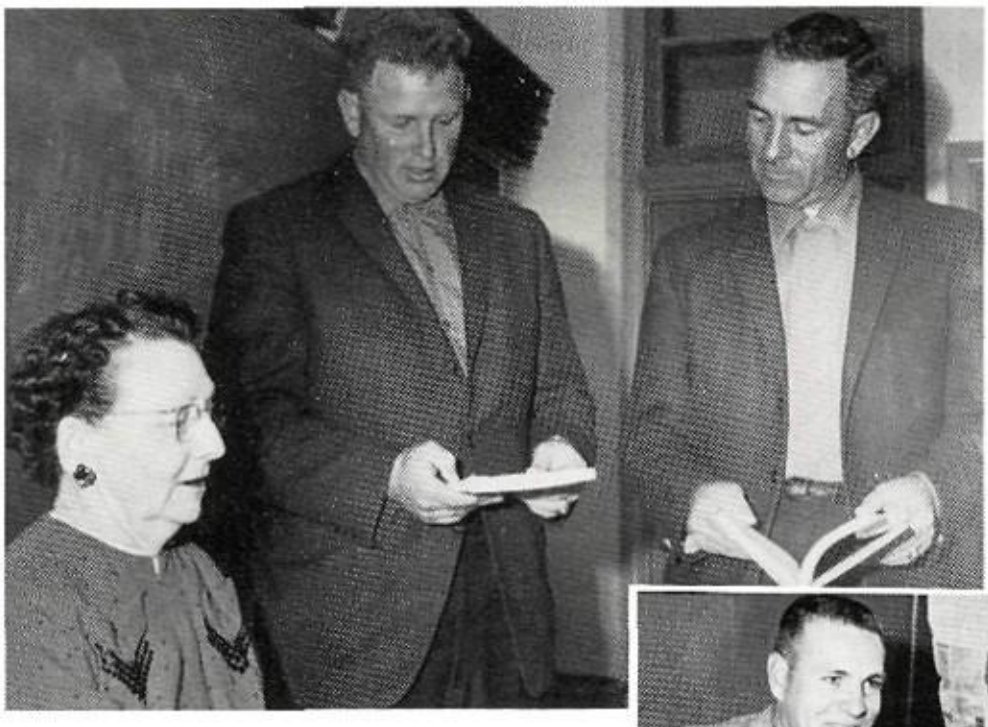
Social Studies

Realizing that our country should be better prepared for a democratic way of life, L. H. S. students are given ample studies of the history of our state, nation, and world. If we are to be future leaders or citizens of a free and democratic nation, we must be qualified and trained to realize past problems, to prevent the same mistakes in our future, and to preserve our future lives, liberties, property and government.



Miss McCorkle notices a lovely colored picture in one of the new history books which is up for adoption for next year's studies. Although Couch Tubb has a book in his hand, he finds things more interesting in Couch Barlow's history book. INSET: Couch Hickman seemingly enjoys the thought of new textbooks as he inspects one of them.

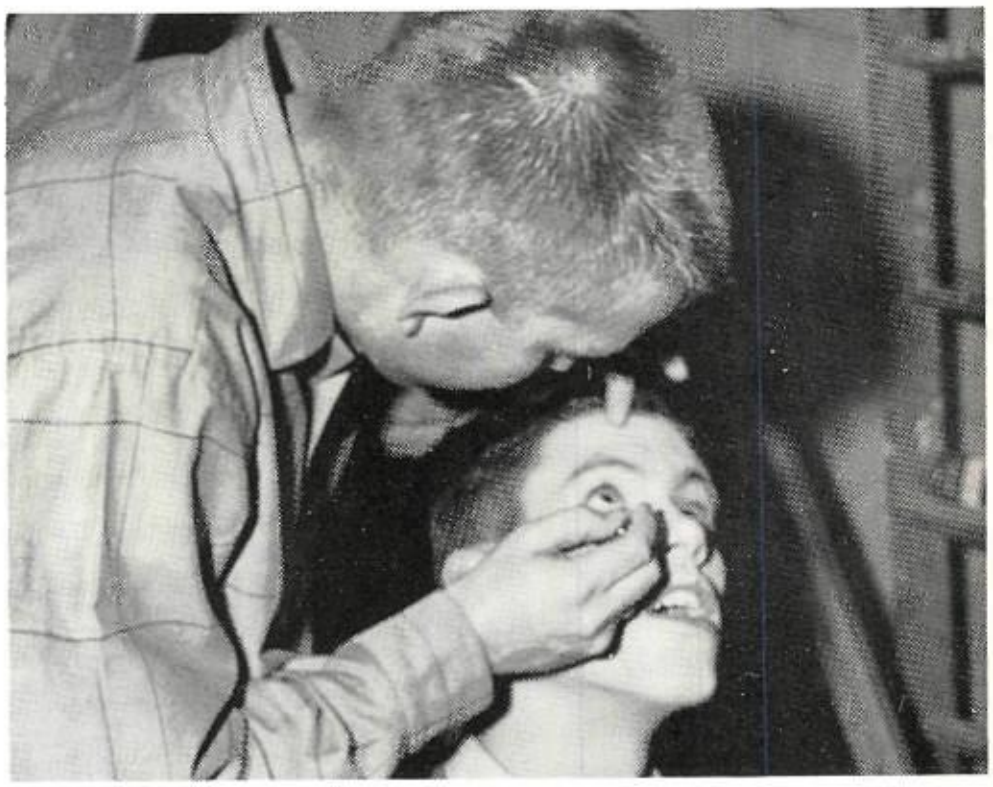
Mr. Lewis shows off with his music teaching aid as Mr. Woods plays an accompaniment on the tuba, his chosen instrument in college.

Teachers at work

Literary Arts teachers discuss the rules and results of the English Festival. Growing interest in the festival was noticed this year, not only in quantity but also in quality. Shown in the library from left to right are Mrs. Couch, Mr. Northcutt, Miss Stansell, Mrs. Winningham, and Mrs. Birtciel.

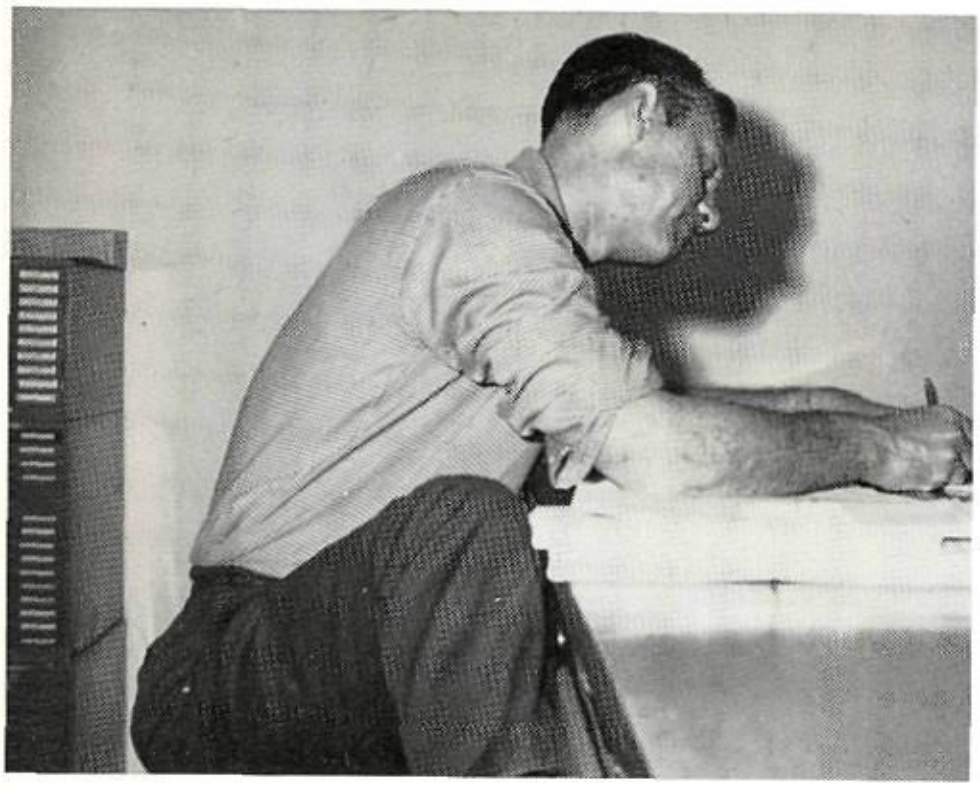
Mrs. Johnson teaches Spanish at junior high and S. P. C. as well as at high school. This year L. H. S. is offering a new foreign language lab in which her classes are conducted. Each student is provided with a glassed enclosure, earphones, and microphone to aid him in a better and more rapid understanding of the foreign language.

Mrs. Ownbey supervises some of her Typing II students during a timed writing. Students can take different types of tests to secure certificates, medals, or recognition of adept typing. Typing students may also enter typing events in Interscholastic League.

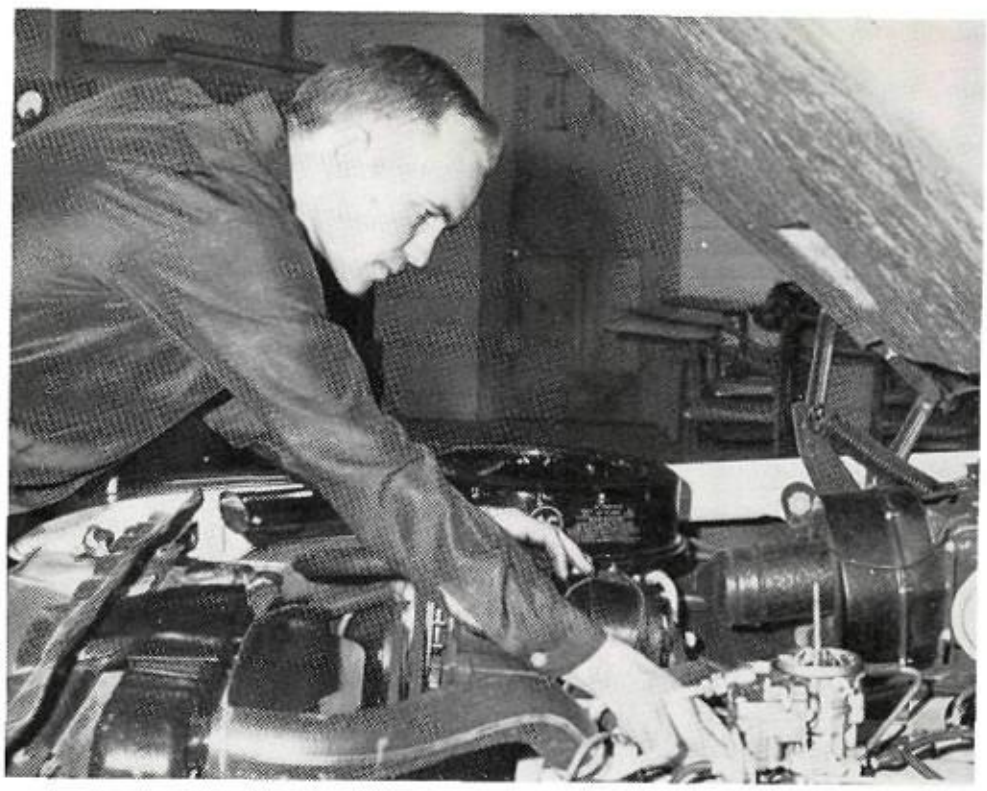


Applying make-up to Doss Mabe, portraying the butler in the Senior play, is Mr. Roger Lawton. Head of the Speech department, Mr. Lawton is in charge of all play productions, debate teams and beauty contests sponsored by the school, Speech, and Thespian Clubs.

Even the work of teachers is spiced with variety

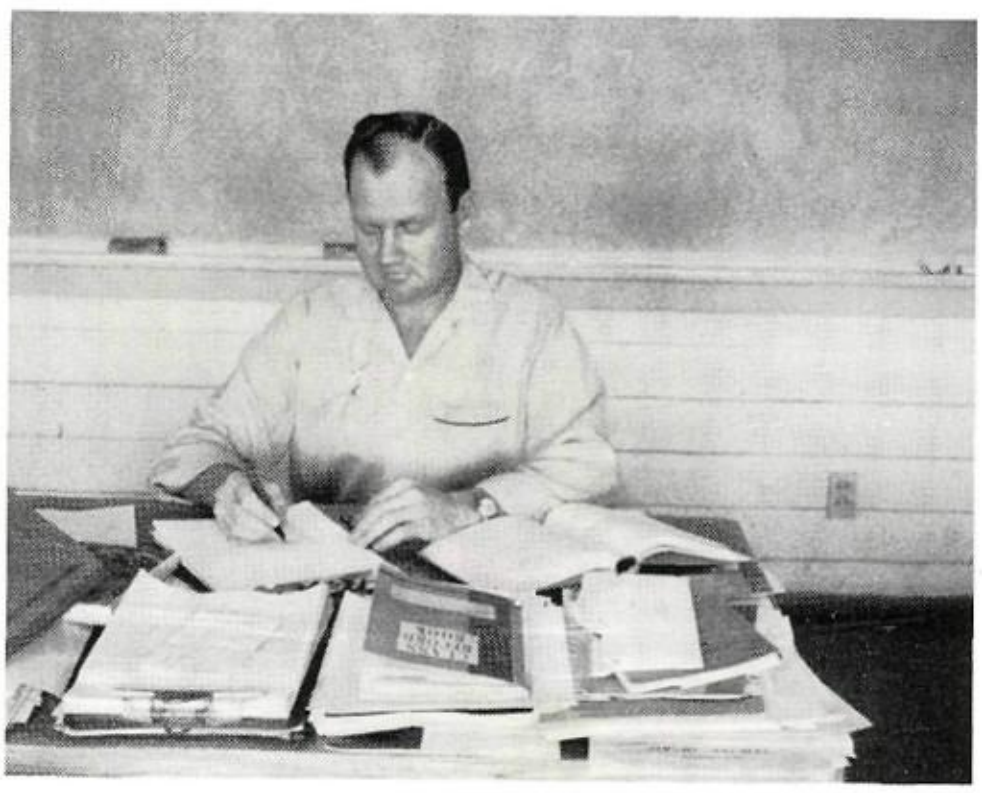


Mr. Sonnenburg seems to be involved in studying income tax forms that he will present to his classes. Programs in various vocations are studied by the classes. Mr. Sonnenburg is also the sponsor of the D. E. Club.



Auto mechanic boys are taught important facts concerning automobiles. Mr. Bayse is pointing out various points of the motor of one of the demonstrator models which is used. The boys and Mr. Bayse attend various meets and contests during the year.

Smiling and looking rather happy with his new job is Mr. Riddle. He is the assistant Band director of LHS and also directs the junior high band. Mr. Riddle has taught here only since semester, but has successfully gained friendship with many students.



Mr. Conway could be considered a very active Ag. teacher. His mornings are spent in junior high school; his afternoons are filled to capacity in senior high school. Mr. Conway is, winter or summer, available to give aid and assistance to Ag. boys when they find problems in their various projects.

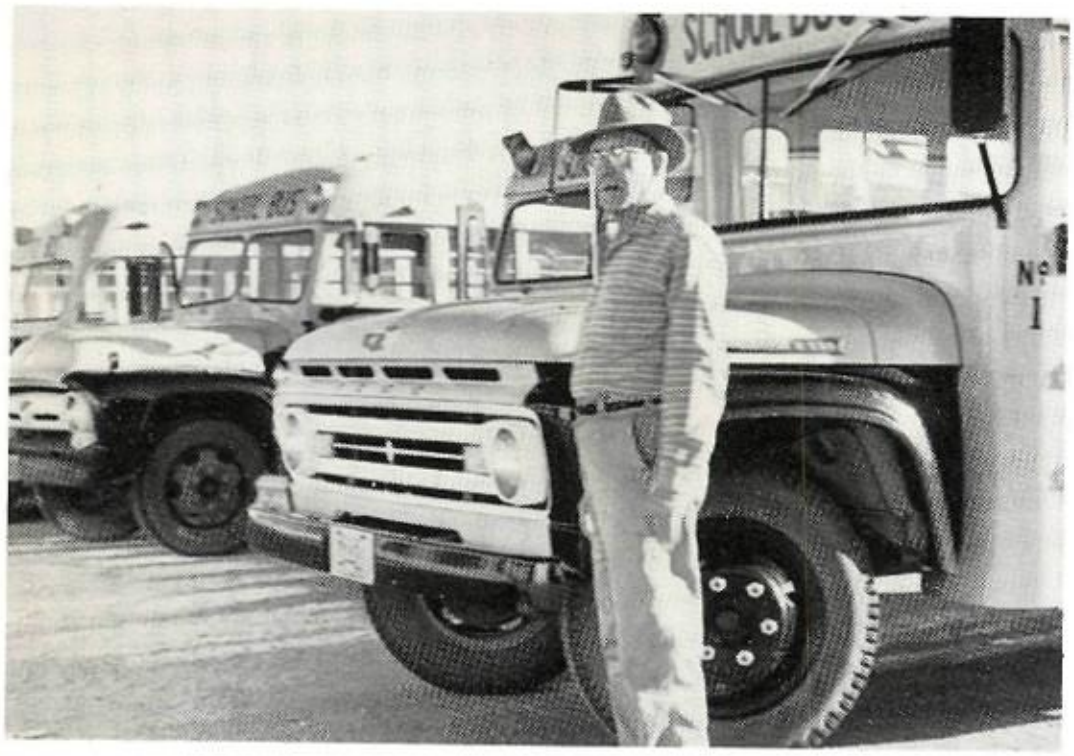
Cafeteria Personnel

Pictured at left is Mrs. W. O. Tipton, lunchroom supervisor. She is in charge of buying and planning for the menu. She supervises not only the LHS cafeteria but also the junior high and grade school cafeterias in Levelland. Mrs. Tipton has headed this department for ten years and has proven a very capable person for this position.

From left to right are Mmes. Gill, Logsdon, Keene, and Hudson. These ladies prepare the meals for LHS students. Their friendliness makes all students feel welcome when dining in the cafeteria.

Pictured below are the people whose everyday business is to assist in serving the LHS students. In the left frame are Pete DeLeon, Virginia Shirey, Wayne Williams, and Anita Shipman. In the right frame are Mmes. Hudson, Keene, Gill, and Logsdon.

Maintenance

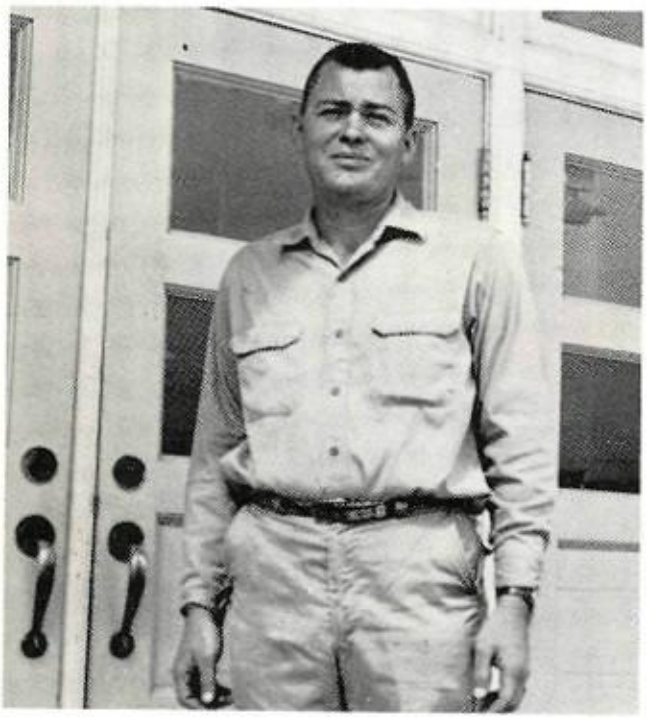


MR. CLARENCE HOLMAN

Mr. Holman is the Director of Transportation and Maintenance. His long service to LHS students has made everyone feel welcome on the school trips. He is often the recipient of jokes, but he can always laugh with others.

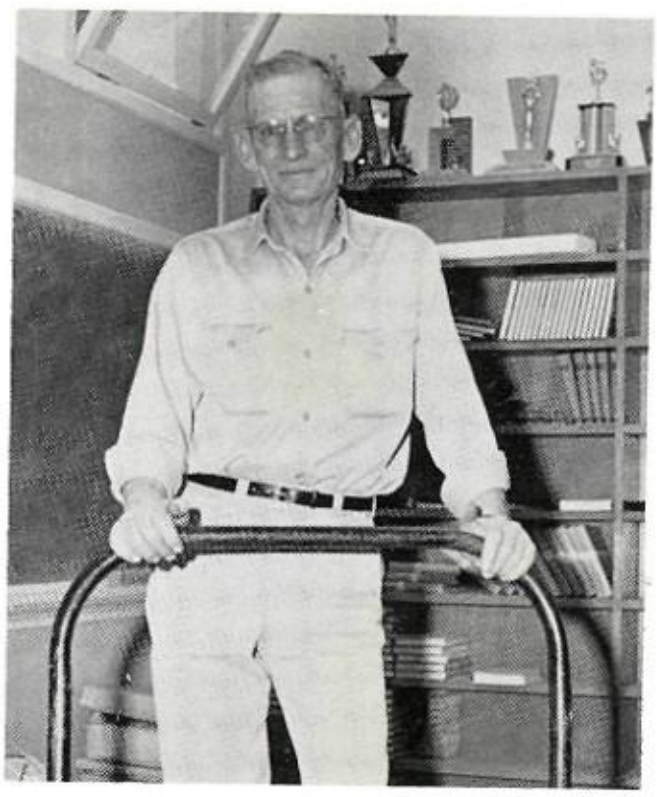
MR. JACK PARMER

Mr. Parmer is in charge of the main building. One of his first duties of the day is to raise the flag in front of LHS. He is vigilant to see that the building is neat and clean each morning as we enter.



MR. ROSS HOLMAN

Also in charge of the main building is Mr. Ross Holman. The newest member of this staff, he is an important one.



MR. E. L. OLIVER

Although Mr. Oliver is in charge of the gym, he is a good worker anywhere. Here he is shown, at right, helping distribute books to the students.

E. Wendt, Serviceman from Lubbock, has the coke machine temporarily out of order.

Directing and sponsoring the senior class through the 1961-62 school year were Coach Tubb, Coach Barlow, Mr. Kempson, Miss Stansell, and Mrs. Ownbey. It was with their outstanding and appreciative help that the senior activities were so entertainingly successful.

1901 — Headlee W. Bailey — 1961

Mr. Headlee W. Bailey rendered valuable years of service in Levelland, especially to the children and parents, by serving as a school board member in 1930, and was elected again in April, 1959, to serve for three years as a member of the board of trustees of the Levelland Independent School District. Mr. Bailey passed away on December 21, 1961. He was a businessman, farmer, and a valuable citizen in our community for over thirty-three years. He was also a member of the Church of Christ, the Levelland Rotary Club, and the Masonic Lodge.

Students of Levelland High School, with the other members of the community, commend the outstanding service rendered by Mr. Bailey for the people and patrons of the Levelland Independent School District.

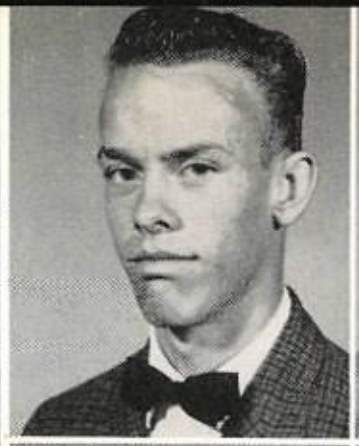
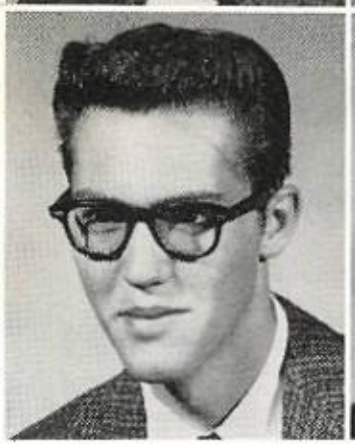
"Let's just duplicate the programs for our play 'LOCK, STOCK, and LIP-STICK'!" Miss McCorkle observes to Mr. Lawton. Agreeing whole-heartedly are Mrs. Thompson, Mrs. Birtciel, Mr. Pearce, and Mr. Brashear. "I'll type the stencil," adds Mr. Sawyer. (Incidentally the play was a smashing success.)

Maintaining good grades is just one of the many requirements of a class officer. Mickye Wright, Secretary; Joe Gilbreath, President; and Billy McMurry, Vice-President of the Junior Class read in the library for their research themes. Research themes (UGH!) are required of all seniors and juniors in the spring semester. The LHS library provides a standing and rich store of knowledge always available to the students of LHS through the efforts of our capable and outstanding librarian, Mrs. Couch. On the wall behind the students is shown one of the effective and eye-catching bulletin-board displays created by Mrs. Couch. This particular one is in keeping with the St. Patrick's day theme of March and was very beautiful in white and green.





As he gets his finger measured for his senior ring, Sam Newberry looks quite pleased. Note the facial expression! Watching and waiting anxiously are Sheri Faulkner, Mike Feitz, Randy Hodges, and Ronny Baggett.

One of the highlights of the football season was the dedication of the new flagpole on the field which was given to the school by Paul Musslewhite. In later ceremonies shown below, Congressman George Mahon presented Thad McDonnell with a flag which was flown over the National Capitol in Washington, D. C. Looking on are J. G. Stacy, Z. O. ABOVE: Mr. James Webb, High School Counselor, supervises a group of students taking the National Merit Scholarship Tests. Each year the Juniors take the tests and if they receive high enough scores, college scholarships are awarded them by the national foundation. Shown taking the tests are Eula Jane Barnes, Linda Brown, Jean Anderson, Diane Fowler, Sue Kelsey, Don Jennings, Phil Worley, and Bill Brown. Levelland had no semi-finalists last year but this year's candidates can certainly look forward with anticipation toward the release of the scores in the summer.

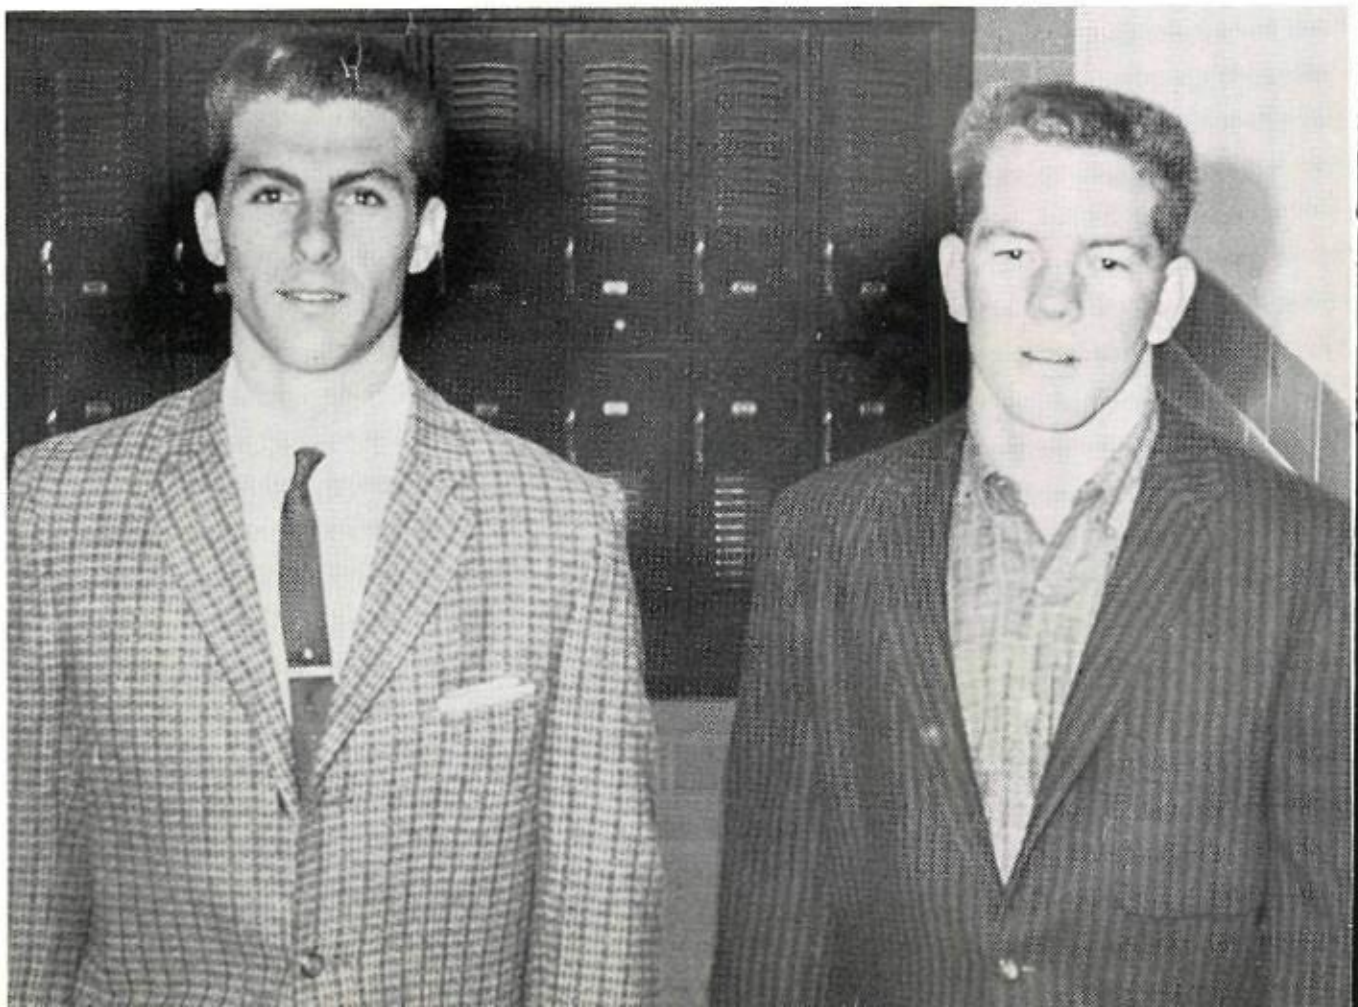
LEFT: Ordering senior rings is truly a hallmark in the high school career of every LHS'er. Enjoying this popular and exciting moment are Jean Anderson, Linda Galloway, and Diane Fowler. A senior ring marks an important step in the extracurricular life of a teenager, too, for then he or she is the respected senior to be looked up to and admired??



Typical of the athletes who were honored by the Lobo Lair, LHS newspaper, were Doots Edgar and Gerald Kluber. Both of these Juniors were outstanding representatives of the sportsmanship typified by boys of LHS and played an excellent game of football during the 1961 season. They were featured in the paper of March 23 as Sports Personalities of the week.

1961 Halloween

HALLOWEEN is always enjoyed in LHS. A week of money-making and furiously carried out plans are noticed as the "Witching Day" approaches. Minds are busily preparing schemes to acquire more money than any of the other classes. As the final day approaches, Levelland notices an intense pace in business enterprises. Cars are washed, sandwiches are sold, and candy is rapidly consumed in huge amounts as the money accumulates and mounts toward a victory. Preparations are underway for the coronation and ball to announce the victors. Last minute sales are made, money is turned in to the accountants, and the contestants eagerly await the final results of the tabulations. The suspense mounts!

SHOWN on the opposite page are the reigning king and queen of the Halloween Pageant. King Jimmy Rich and Queen Donna Hall were crowned as the sophomore class accumulated the most cash to swing the victory in their favor. Reigning during the magnificent coronation and ball must have been an exciting experience for Jimmy and Donna. During the Coronation, they were entertained by a variety program which highlighted the talent of LHS'ers. Gail Williams and Troy Abell attended the royalty as pages.

THE Royal Attendants, perhaps somewhat dejected on that night, are shown on the left. At top are Senior Prince and Princess, Ernie Cooper and Susie Latham. The picture at bottom shows Junior Prince and Princess, Raymond Rister and Betty Hatch.

Royalty

Vicky Keene and Doug Reed were elected Best All Around in the annual elections in February. Vicky was head majorette of the Lobo Band and the basketball sweetheart this year. Doug was co-captain of the Lobo football team as well as starring in other athletics. Both were popular leaders in LHS activities this year.

Chosen Most Likely to Succeed were Susie Arnold and Doss Mabe. Both were very active in LHS club work and were two-year members of the NHS. Susie has indicated math as her future and will attend Tech while Doss has selected architecture and will attend either Rice or Texas.

Selected as Most Outstanding in LHS, Susie Latham and Bill Owens certainly earned the honors. Susie was seen in several presentations of the drama department throughout the year while Bill served as Student Council President and took numerous honors in TIL competition. Both Bill and Susie were also members of the NHS.

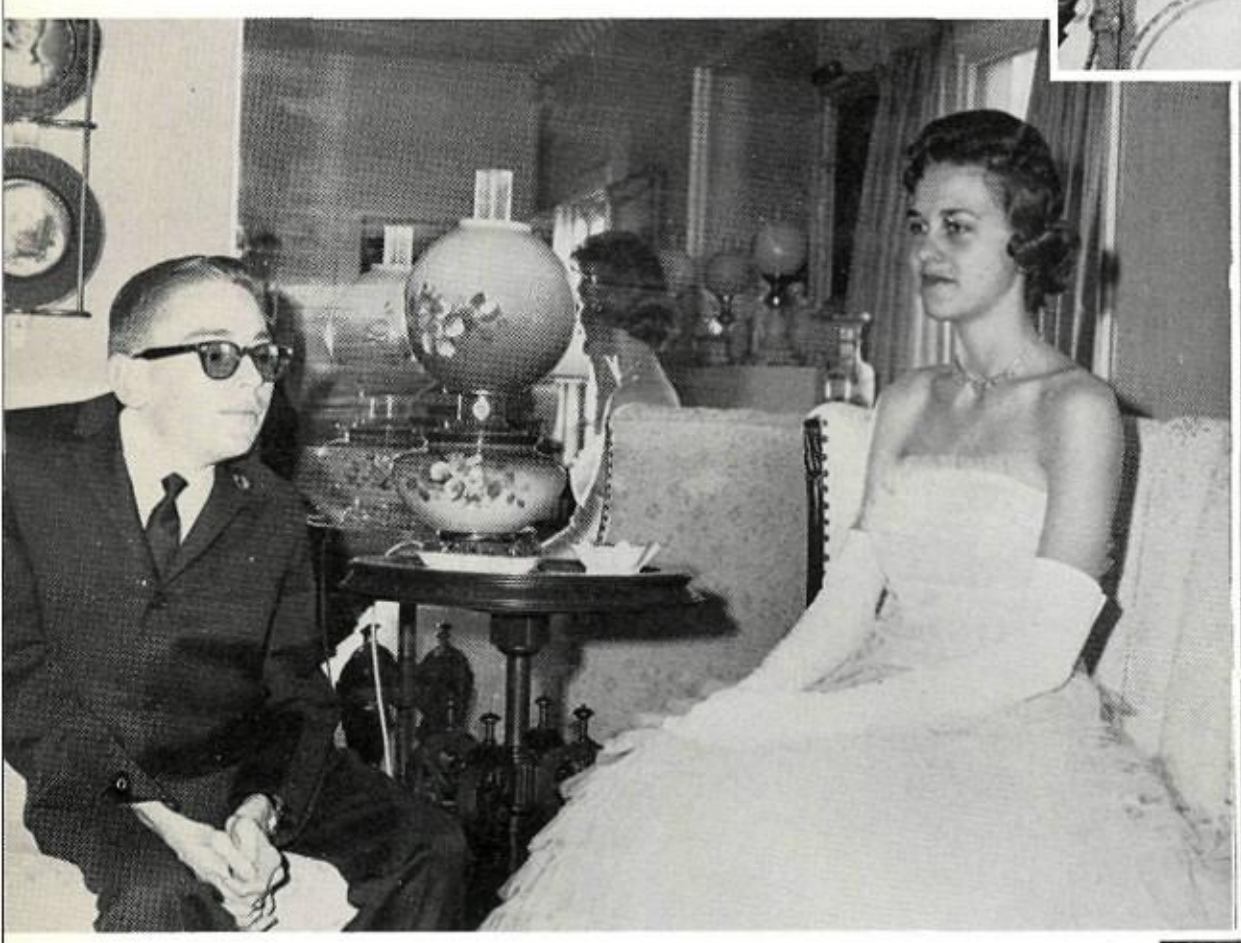
Mr. and Miss LHS

PAT CAMPBELL and JANICE BALLOW were chosen Mr. and Miss LHS by the student body because they typified the spirit of our high school throughout the year. Both Pat and Janice were very active in activities this year, Pat being co-captain of the Lobo football team as well as starring in other athletics and Janice being Football Queen and secretary of NHS. Pat, last summer, was Levelland's delegate to Boys' State while Janice served as Lion's Club Sweetheart for the year.

Shown in the classic surroundings of the C. B. Edgar home in Levelland are the Class Favorites of LHS. They were selected by their classmates on the basis of their personalities and their contributions to the student life of LHS.

Betty Hatch and Joe Gilbreath were selected by the Junior Class as favorites for 1962. Joe played football and participated in other athletics; Betty appeared frequently in beauty pageants and programs throughout the year.

Nelson Brock and Betty Guinn, elected by the Senior Class, were active and popular in LHS. Both were members of the NHS. Nelson was on the EL LOBO staff, and Betty was Student Council Secretary for the year.

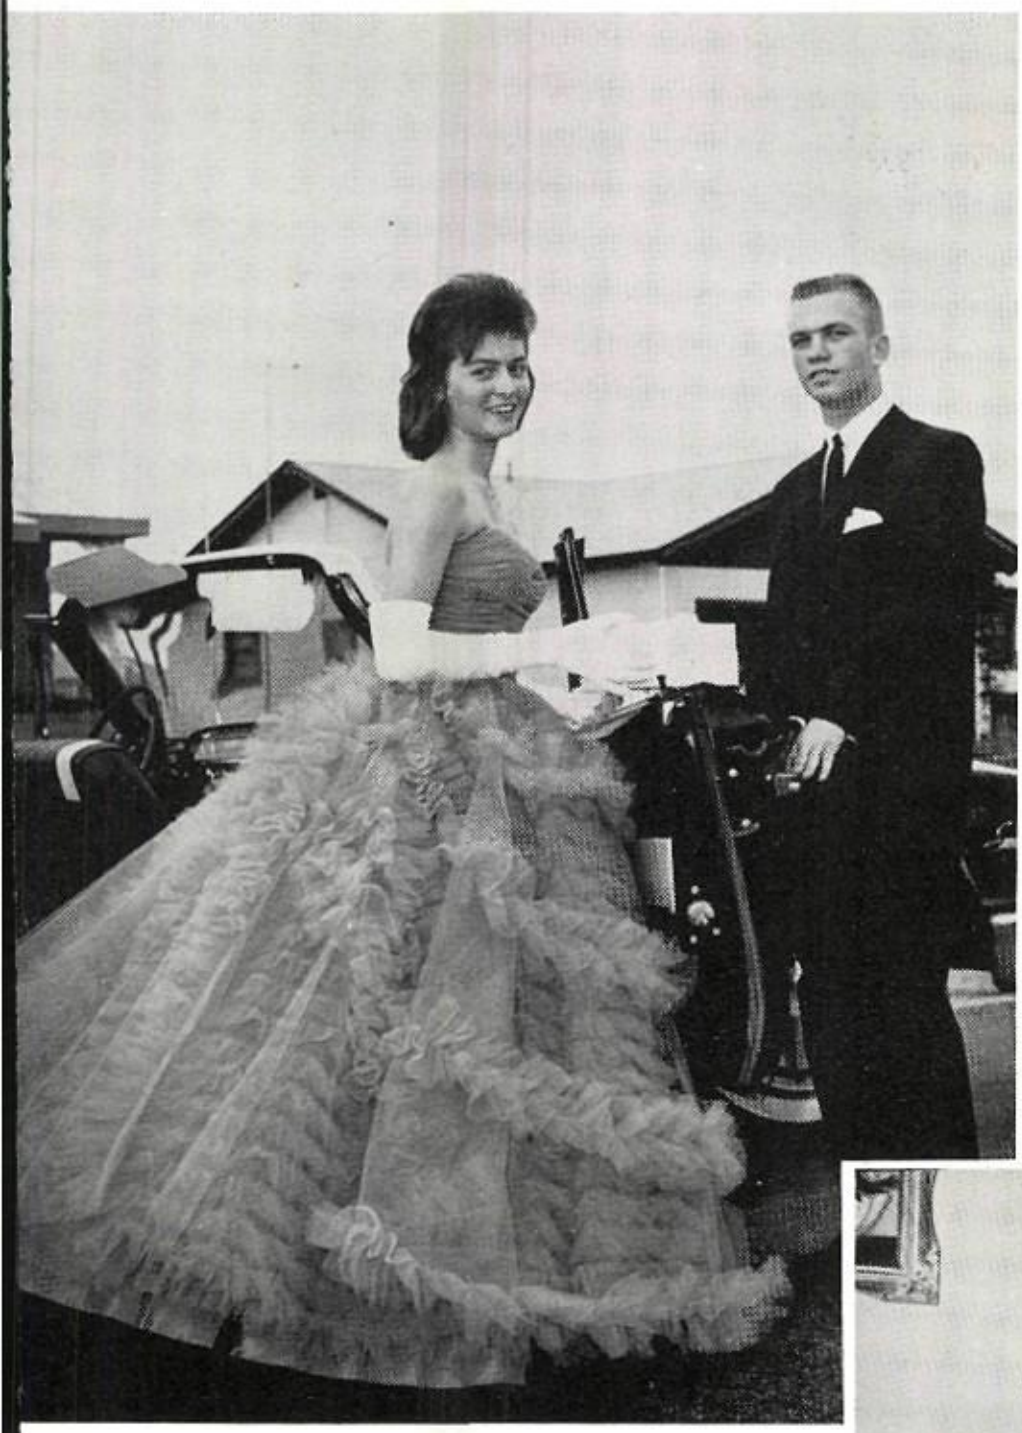


Class Favorites

The Sophomore Class chose Marilyn Rush and Ronald Prothro as Favorites for the '61-'62 school year. Marilyn was active in Band activities while Ronald was a participant in Lobo athletics.

LHS's Cutest Girl, Cathy Stacy, accepts a corsage from the Cutest Boy, Buford Chamberlain, as they prepare to make a "night of it." In addition to being selected Cutest Girl, Cathy was runnerup in the Miss Jaycee Contest in March. Buford was a staff member of the Lobo Lair this year.

Known for their smiles and personalities are the Friendliest among the students of LHS, Karen Palmer and Robert Simpson, also about to step out. Karen was a member of the EL LOBO staff and worked in the DE program. Robert played on the Lobo football team and typed for the Lobo Lair.



Personalities

The Most Talented students in LHS in 1962 were Abby Drinkard and Malcolm Lyon. Abby is to be remembered for her beautiful singing and also her prize-winning portrayal of Lady Sims in the One-Act Play. Malcolm was a member of the popular "Phantoms" stage band, playing guitar and providing the vocal numbers.

Two local civic clubs, in cooperation with the administration, each week choose an outstanding boy and an outstanding girl to be their guests at their noon meetings and luncheons and present these students in a program before the club at the end of the year.

The Levelland Rotary Club selects a boy each week to be Junior Rotarian. The Junior Rotarians this year were: Joe Boggs, Pat Campbell, Buford Chamberlain, Ronald Dowden, Joe Gilbreath, Rocke Hill, Doss Mabe, Jimmy Martin, Joe McCulloch, Bill Owens, Doug Reed, Gary Rush, David Schmidley, Ronald Schoenrock, Ted Turnbow, Kenneth Turner, Carson Watt, and Herby Williams.

Junior Rotarians

Junior Lionesses

Selected by the Levelland Lion's Club as Junior Lionesses this year because of their outstanding contributions to the life of LHS were the following girls: Susie Arnold, Erdie Phaye Badgett, Johnnie Burcham, Cleta Belk, Bette Comstock, Joni George, Sue Grant, Betty Ann Guinn, Sharon Harper, Kay Keeling, Beverly King, Pat Kauffman, Kay Langrill, Susie Latham, Judy Mayfield, Nancy Musslewhite, Clydie Noonkester, Karen Palmer, Jerald Ann Patton, Debbie Perkins, Lois Ray, Phyllis Railsback, Donna Reed, Carol Roberts, Linda Rogers, Betty Rust, Doris Stanley, Helen Walters, Melvina Waggoner, Jeannie Wiles, D. Ann Williams, Teresia Winegar. Janice Ballow was the Lion's Club Queen this year.

Boy and Girl of the Year

The faculty of LHS selected Bill Owens and Susie Latham as Boy and Girl of the Year for 1962. Bill and Susie were selected because of their service and consideration of others in the carrying out of the Four Way Test of the things we think, say, or do... Is it the truth?... Is it fair to all concerned?... Will it build good will and better friendships?... Will it benefit all concerned?

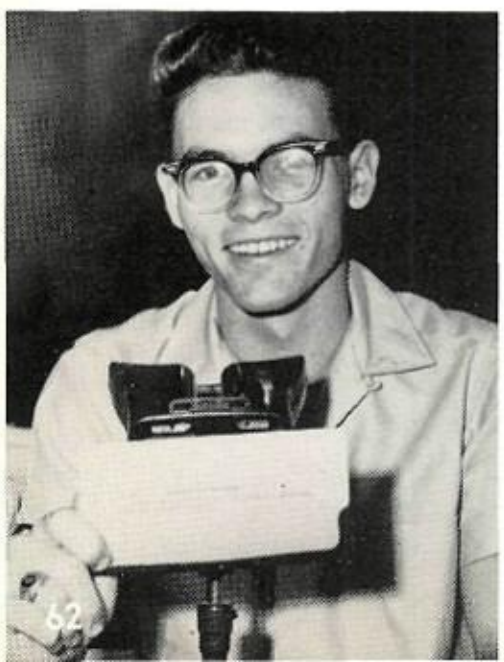
Who's who in LHS

RIGHT: Senior Larry Van Stavern received Who's Who in Journalism. Larry was sports editor of the Lobo Lair this year as well as photographer and "General Flunkie." Larry has been very active in Band activities also, playing the alto and baritone saxes. He was a member of the All-Region Band this year and was an entrant in TIL journalism contests at Odessa College.

LEFT: LHS had two triple winners of Who's Who Awards this year. Susie Arnold and Doss Mabe - shown here in the Library looking for information to help them in their classes - were selected Who's Who in three different and varied fields. Susie was chosen in English, Bookkeeping, and Social Studies; Doss was chosen in English, Math, and Journalism. Both Susie and Doss participated as judges in the Student Council Elections held in LHS in April.

BELOW: Participating in language drills in LHS's modern language lab are Delois Taylor and Isidro Hernandez, selected by the foreign language teacher as Who's Who in Spanish. Both Delois and "Sid" have had two years of Spanish and are accomplished at both writing and speaking the language. They have also been very active in Spanish Club activities, having participated in contests and PASF conventions.

WHO'S WHO AWARDS IN LHS . . .
THE FACULTY OF LHS ANNUALLY SELECT OUTSTANDING STUDENTS IN ALL FIELDS OF STUDY OFFERED IN OUR HIGH SCHOOL. THESE STUDENTS ARE CHOSEN ON THE BASIS OF BOTH GRADES AND PARTICIPATION AND CONTRIBUTION.

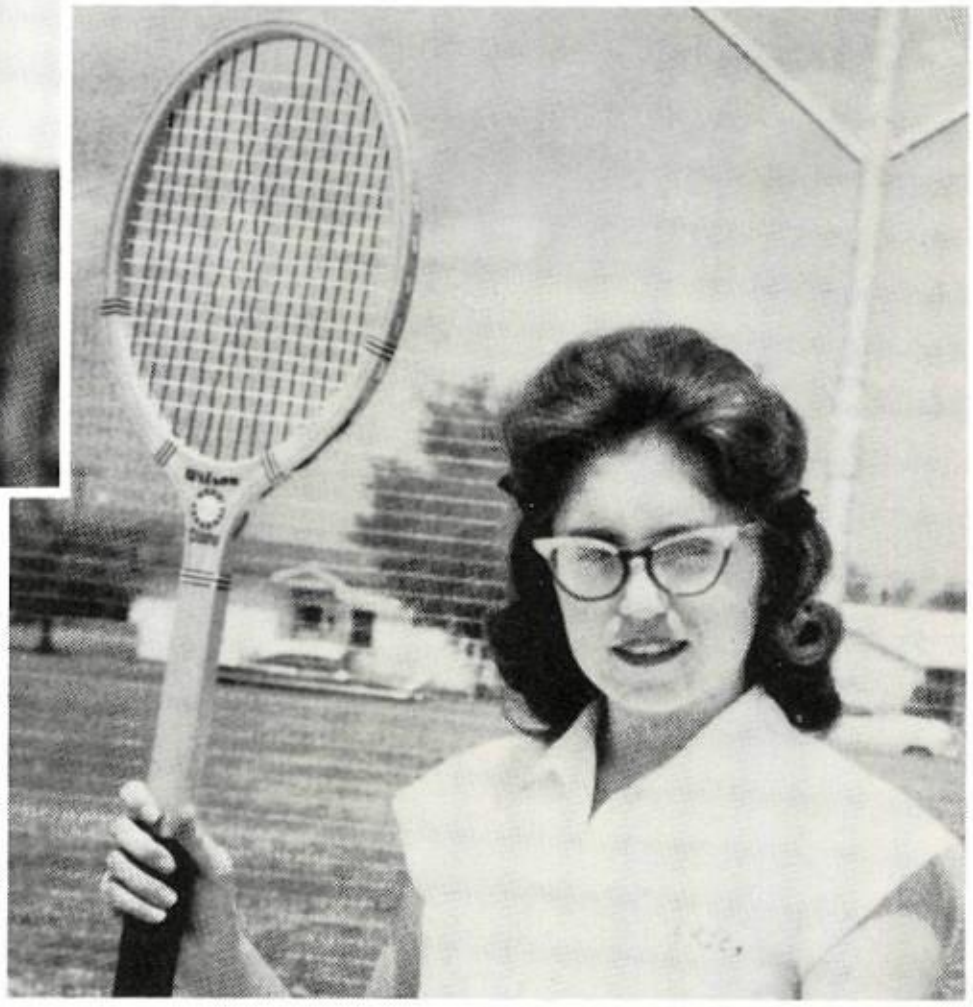


LEFT: Bill Owens was awarded Who's Who in Math this year. He is shown viewing stereoscopic "3-D" views of solid geometry problems which are very handy and helpful in visualizing the figures. Bill took numerous awards at TIL contests during his high school career in number sense and slide rule and also in District Math-Science Fair competitions.

LEFT: Dishwashing always seems to "pop up" in the daily activities of a homemaker much too often as Johnnie Burcham and Sue Grant will testify. Johnnie and Sue were selected as Who's Who in Home Economics this year. The girls participated in both sewing and cooking classes and were judged by the home economics faculty as the outstanding future housewives in LHS. They also took an active part in the activities of the Future Homemakers.

LOWER LEFT: Miss Debbie Perkins was selected Who's Who in Choir by the faculty. She participated in all choir activities and was a member of the Girls' Sextet.

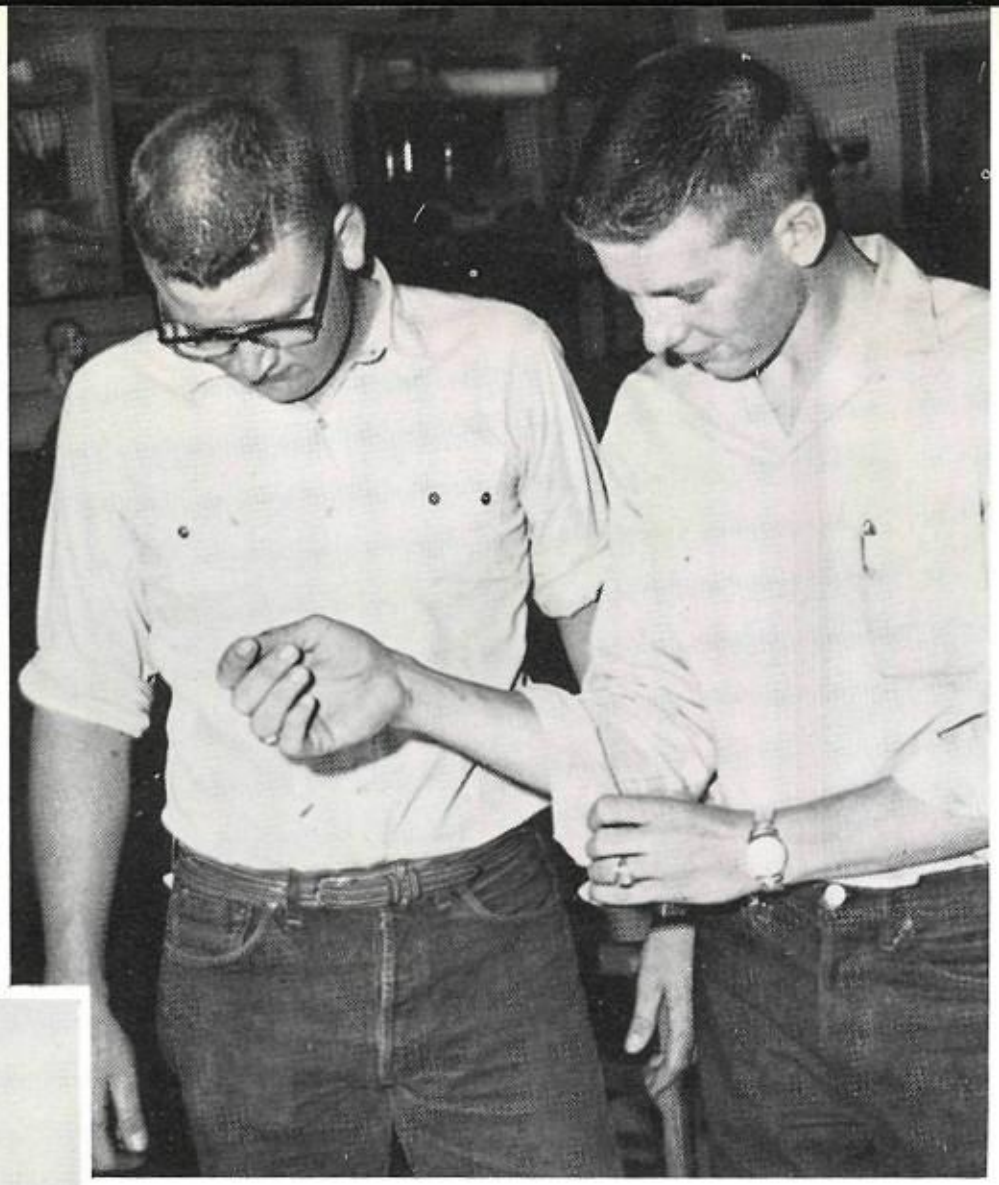
BELOW: Miss Glenda Wilkerson, Who's Who in Girls' Physical Education, prepares to enjoy a tennis session during her daily PE period. Glenda enjoys all aspects of sports very much and is quite accomplished in all sports. She also participated in TIL District contests in Borger this year as a typing entry and is an honor student.



BELOW: Carol Roberts, an avid debater and public speaker in LHS, is the recipent of the Who's Who Award in Speech this year. Miss Roberts and a colleague took top honors in Girls' Debate at District TIL and were runners-up at Regional in Odessa. They also presented numerous programs throughout the year before other groups. Carol is widely known for her fine speaking voice among debaters in West Texas. She was a member of the Senior Play Cast and was also a contestant in the annual Miss Levelland Contest in April.

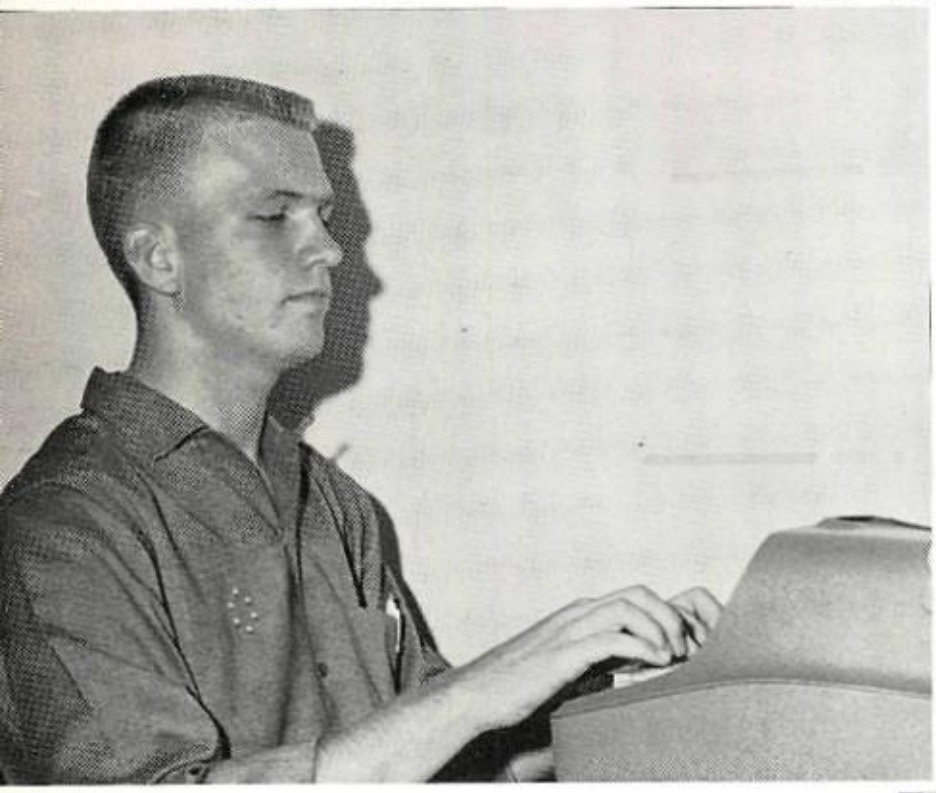
RIGHT: Looking over the card catalogues in the Library are the Who's Who in Library, Gail Camp and Wayne Craig. Gail and Wayne were library assistants and participated actively in Library Club activities. They enjoy reading and library work and are (with other library assistants) a very useful aid to students using the library. To be assistants in the library they must learn to shelve and check out books and must have a knowledge of shelving arrangement in the library so that they can readily find information for students.

RIGHT: Mark Harbin and Billy Renfro, both Who's Who in Agriculture, prepare to judge grasses. Judging grasses and other crops is only one of many activities of the Ag boys. In addition to their regular classroom work, they also carry projects and raise stock throughout the year. Both Mark and Billy have received awards for their stock and other activities in the agriculture fields. Billy is a double winner being Who's Who in Boys' Physical Education also. He enjoys sports and takes an active and leading part in all PE class activites. This year for the first time in LHS, health classes have been added to the PE program giving it added status and making it available as a whole credit course.

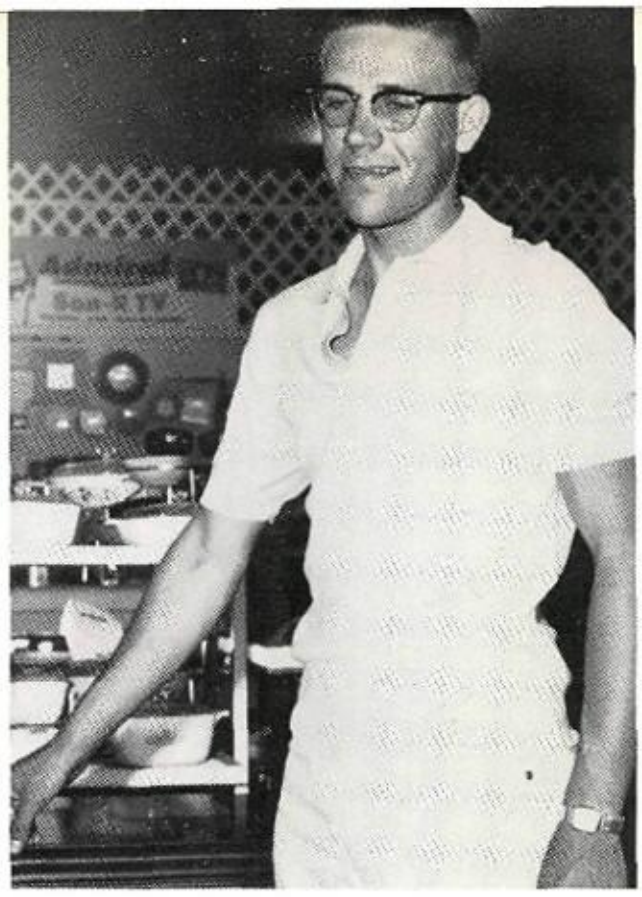


LEFT: Miss Helen Walters was selected as the recipient of the Who's Who award in Shorthand this year. She really earned this recognition as she took first place in the Region 1 TIL Shorthand Contest in Odessa in April and went to state in May. She is very proficient in all commercial studies as well as shorthand. Helen is also an honor student in LHS.

BOTTOM LEFT: Shown performing his job as typist for the Lobo Lair is Robert Simpson, Who's Who in Typing. He is shown typing on the new IBM space-proportional machine acquired by the Journalism Department this year when the Lobo Lair changed to offset printing. The journalism sponsor gave high praise of Robert for his energy and ability to get the job done and says he was missed when he was out of school several weeks with hepititus.

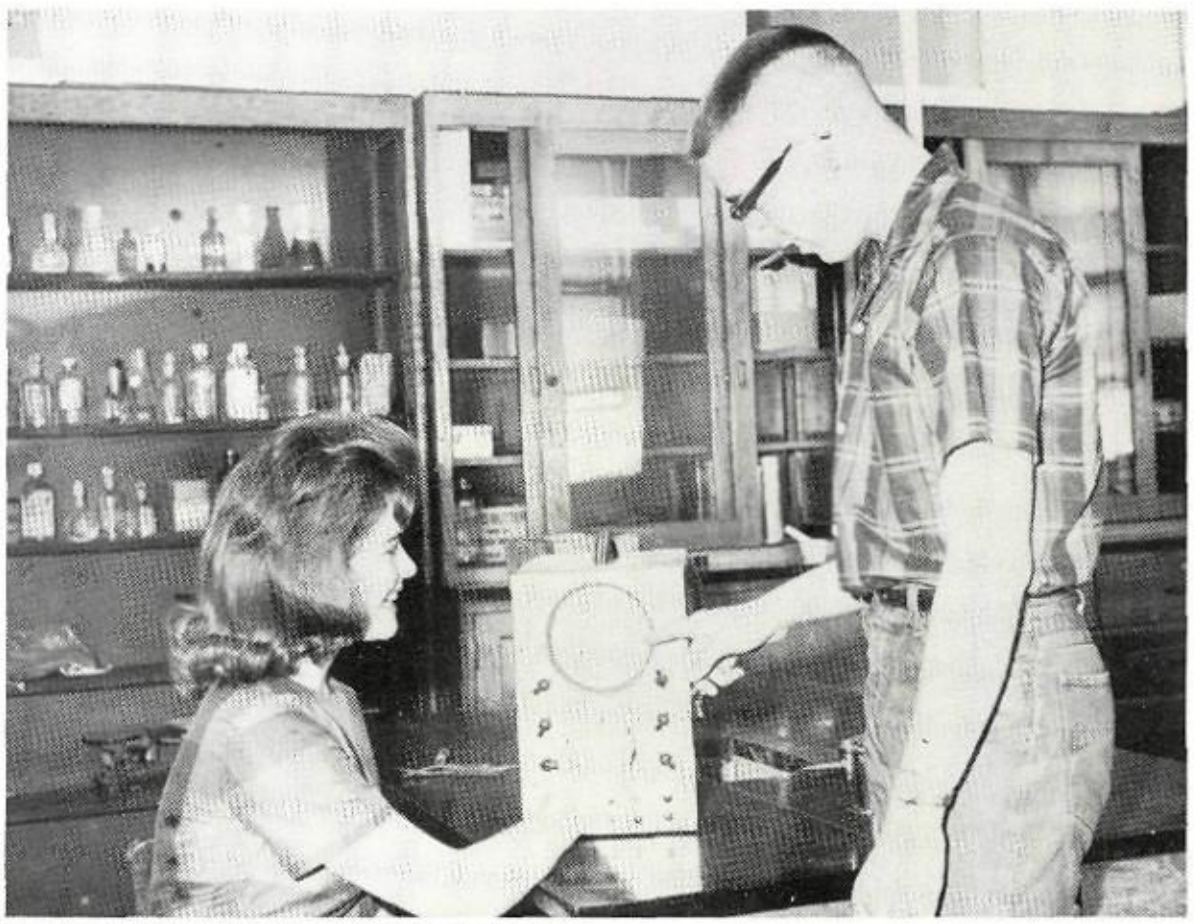


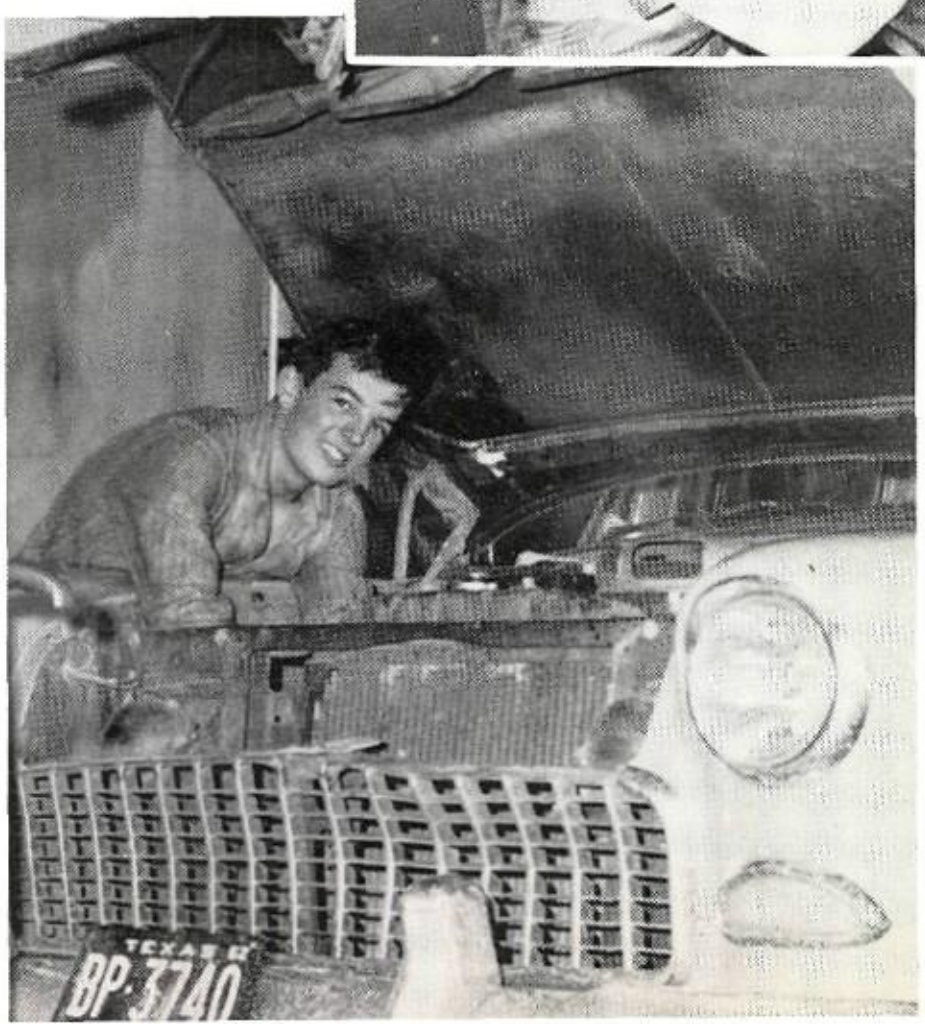
RIGHT: Jimmy Williams who plays cornet and Ernie Cooper who plays trombone sport the new uniforms of the Lobo Band. The two boys, both members of the stage band, were selected Who's Who in band. They have both also been officers in the band.



LEFT: Who's Who in Distributive Education, D. Ann Williams and Paul Morse, are shown in typical poses at their jobs. DE students go to school in the mornings and work at jobs provided by interested Levelland businesses in the afternoon. D. Ann has worked the past year as an assistant to Mrs. Essie Grimes in the Rose Shop and enjoys her work very much. Paul worked for his dad in the Levelland Hardware Co. and is shown here practicing his salesmanship on the photographer with a new portable TV. (Incidentally, the photographer did not buy the TV but it probably wasn't because of Paul's sales pitch.)

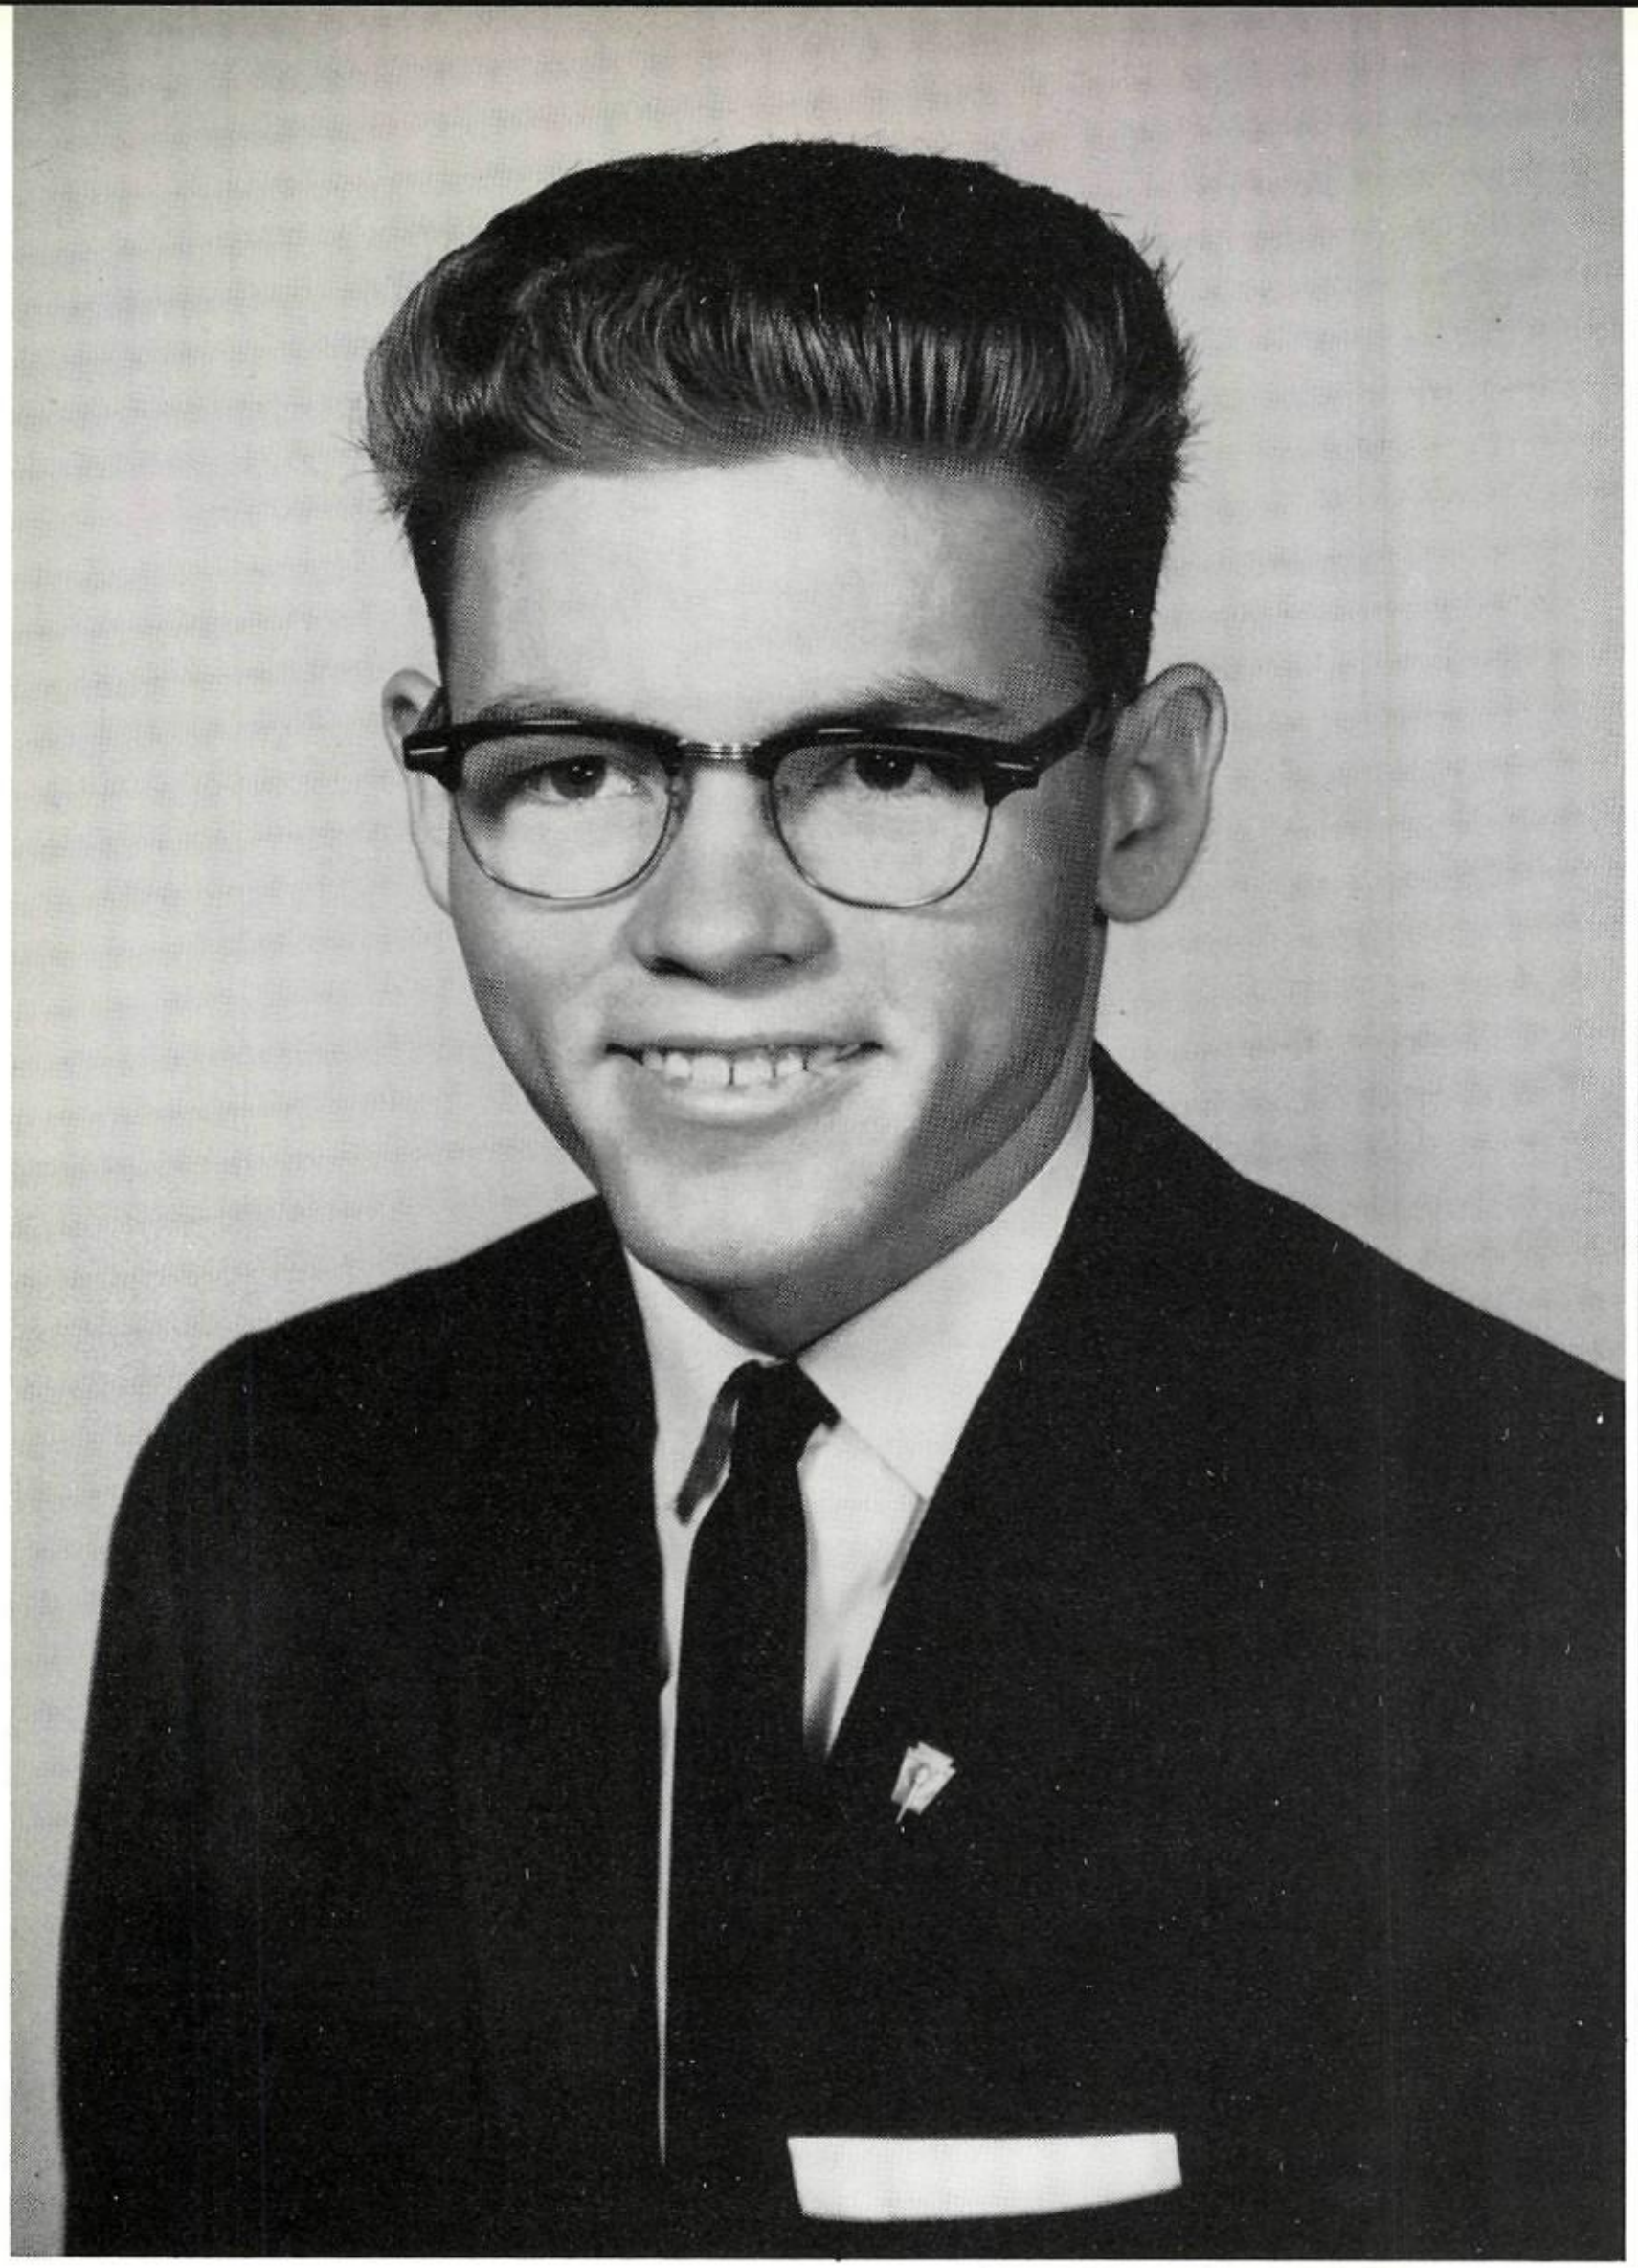
RIGHT: Marcheta Ownbey and Norval Thomas, students chosen Who's Who in Science, adjust an oscilloscope in the science laboratories. Both Marcheta and Norval were entrants in the TIL District Science Contest in Borger this year. Marcheta was also a winner in the District Math-Science Fair at South Plains College in April. Norval is very interested in all branches of science and has the unusual hobby of raising rabbits.





LEFT: Tim Conatser, shown at work on a car in the Auto Mechanics shop was chosen Who's Who in Auto Mechanics this year. Auto Mechanics is a three hour shop and classroom course and teaches the boys the fundamentals of being a good mechanic. It is another of the vocational courses offered in LHS.

Who's Who in LHS



BILL OWENS

Leading the student body of LHS at pep rallies and at athletic contests and promoting school spirit in general is a big job in anybody's book. These six girls certainly did a wonderful job this year. They worked untiringly making posters, devising ways to increase spirit, and planning yells and pep rallies. It was many a time that they saw a bus load of Lobos "off to the game." Kay, Nancy, Cathy, Brenda, Gale, and Sharon also did much to improve the sportsmanship of the LHS student body and increase friendly relations with our rivals. One of the highlights of the girls' year was the bonfire before the Dumas game at which time the school spirit reached a climax. Probably the low point of the year was the Littlefield game when the victory bell was rung for the final time on Levelland soil for the year and Dumas took it to Demonland. "Salty" Wills and Steve Russell were mascots this year. Four of this year's cheerleaders - Brenda, Gale, Cathy, and Sharon - will be back next year. Kay and Nancy, the seniors, will go to SMU next year.

Levelland Coaches see fine year

Levelland Senior High is certainly fortunate in having its fine coaching staff. Although we did not win any championships the past year, the coaches are certainly to be congratulated on their fine efforts and teams. After all, it is not as important that you win the game as it is that you play fairly and show good sportsmanship. Through the efforts of the coaches and others LHS has become known as the school with good sportsmanship.

As the Levelland Lobos started the 1961-'62 district conference with the Hereford Whitefaces, disaster struck. Hereford used "plain vanilla"--with CANSLER of Hereford, working the scoop--to dish out the first district loss to the Lobos.

The victory was the first over a Lobo team after five straight defeats at the hands of Levelland and the second since joining 1-AAA.

Levelland 16 — Phillips 7

Arriving in Phillips, the Lobo team was met head on with a bitter "North Wind."

Although the north wind chilled Levelland's explosive passing attack, the Lobos unleashed a blizzard of their own on the ground. Piling up 274 yards rushing to Phillips' 96, the Lobos rolled over the Blackhawks in a District 1-AAA Contest--16-7.

"Catch me if you can," says Ted Turnbow (25), as he goes around Phillip's end.

Dumas 52 Levelland 0

The Dumas Express looking good enough to win state - "and did" - made a two-hour stop in Levelland to pick up a 52-0 victory and eliminated the Lobos and all other 1-AAA members from the playoff picture.

Engineer for the express was superlative quarterback Mike Boxwell. The Demon "man under" was the spark for the defense and the offense for the Dumas Demons.

Littlefield 14 — Levelland 20

Another typical Levelland - Littlefield clash was written into the book as the Lobos ended their season with a 20-14 victory to end up with a 5-5 season and a three-way tie with Littlefield and Hereford for second place in 1-AAA.

The victory also provided the Lobo's fifth straight win over the traditional rival Littlefield.

Mr. Kempson strikes a pose that is familiar to most LHS'ers during the football season. He is always seen "running the chain" at both home and out of town games. It would be a strange experience indeed to see a Lobo football game without the friendly antics of Mr. Kempson.

The 1962 Lobo Band was truly one of the finest in recent years. The new director, Bill Woods who comes to Levelland from Seagraves, was partly responsible for this but the fine musicianship of the bandsmen played a large part. This is demonstrated by the starred individuals who were members of the All-Region Band this year. At left are shown the three pert majorettes who contributed so much toward making this a successful season for the Band. They are Judy Danner, Vicki Keene (Head Majorette), and Patsey Raymond. All of the girls hold numerous awards in twirling both individual and ensemble.

Lobo Lair

Eula Jane Barnes
EDITOR

The LOBO LAIR staff has produced an outstanding series of school papers this year. Through perseverance, co-operation, hard work the many activities of the student body in LHS have been brought to the attention of the public. Hard at work balancing accounts for paper subscriptions are: Henry Brown, Doug Reed, Buford Chamberland, Jo Nell Poteet, Sue Pace, and Pat Campbell.

TEXAS HIGH SCHOOL PRESS ASSOCIATION
FOUNDED 1923

The Lobo Lair, student newspaper of Levelland High School, is published bi-weekly by members of publication classes.

EDITOR-Eula Jane Barnes

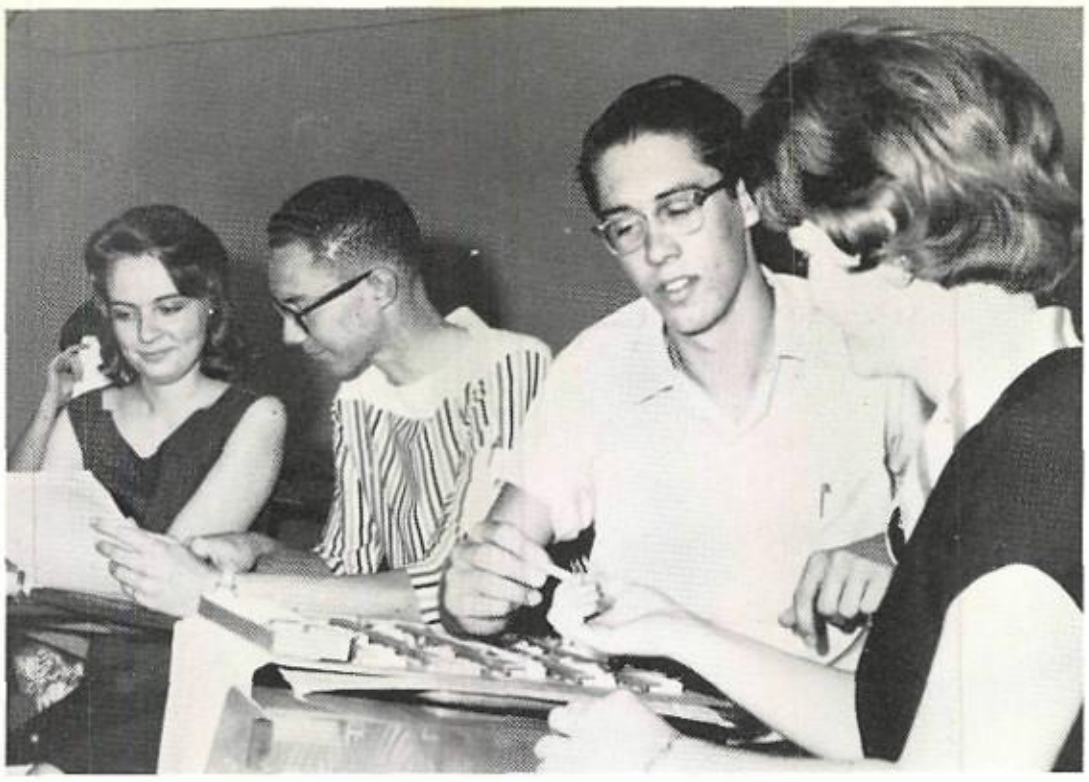
SPORTS EDITOR-Larry Van Stavern

TYPISTS-Vicky Keene and Robert Simpson

REPORTERS-Erdie Phaye Badgett, Henry Brown, Linda Brown, Pat Campbell, Buford Chamberlain, Rocke Hill, Carole Mabe, Jimmy Mulkey, Sue Pace, Sue Parsons, Jo Nell Poteet, Doug Reed, Earlene Rowan, Kenneth Turner, and Herby Williams.

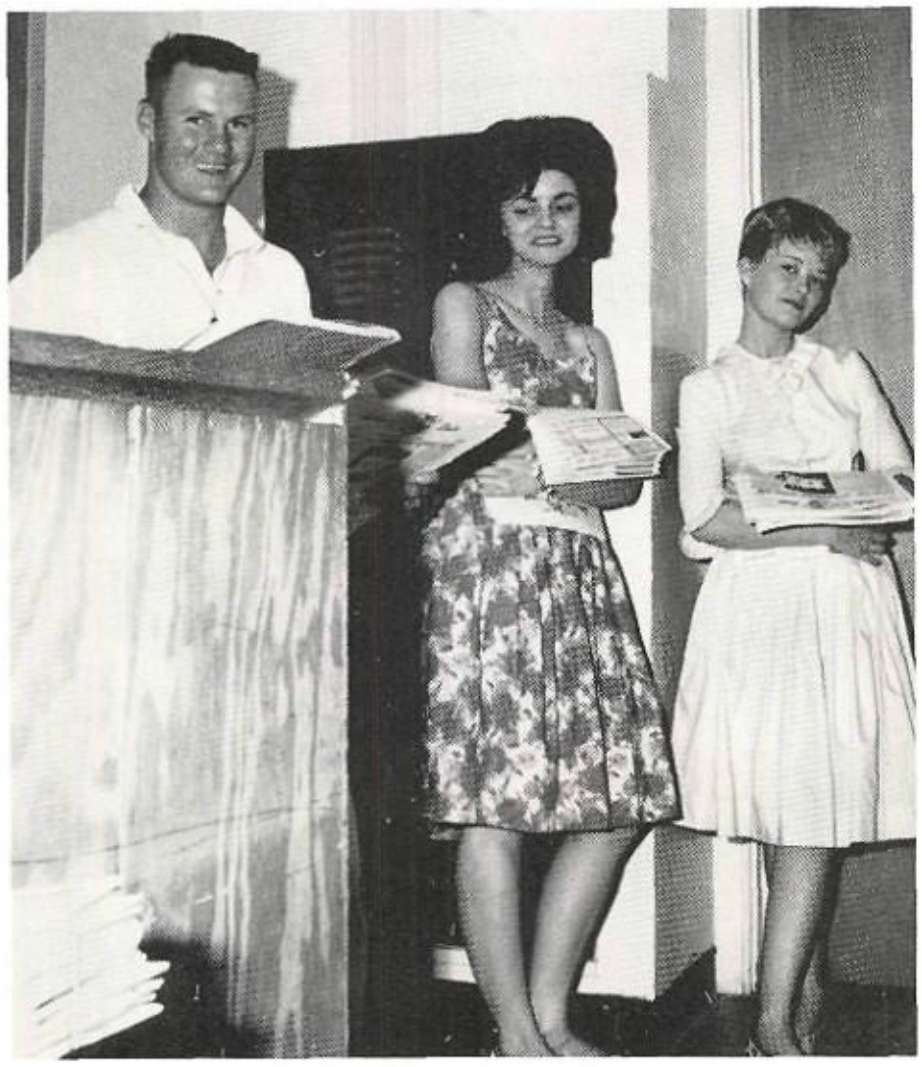
SPONSOR-Mrs. Nina Birtciel

The importance of the Senior Will is noted as the staff pitches in to finish it and meet a deadline for their paper. Industrious members shown are: Vicky Keene, Robert Simpson, Eula Barnes, Herbie Williams, Larry Van Stavern, Linda Brown, and Jimmy Mulkey.



UPPER LEFT: The long and tedious job of proof-reading copy for the school paper is undertaken by Erdie Badgett and Kenneth Turner, left. Preparing headlines and cutlines is a very time consuming and arduous task. Rocke Hill gives advise as he and Earlene Rowan discuss type sizes, right.

UPPER RIGHT: Pictures from the EL LOBO files are often mistaken for the LOBO LAIR pictures (unintentionally, of course). Caught by the always inquisitive "Birdie" are Sue Parsons and Carol Mabe.



ABOVE: Prompt deliverly of the LOBO LAIR has been one of the courteous services rendered by the staff. The final edition is being delivered by "Ad Man" Jimmy Mulkey, "Snoopy" Jo Nell Poteet, and "Ears" Henry Brown.

LEFT =30= The tension breaks and cares and worries are forgotten as the last deadline of the paper is met. Those rejoicing at their freedom are: Buford Chamberland, Erdie Badgett, Robert Simpson, Earlene Rowan, Doug Reed, Larry Van Stavern, Linda Brown, Vicky Keene, Eula Barnes, Herbie Williams, Jo Nell Poteet, and Henry Brown.

The Choir

The Levelland High School Choir completed a very successful year under the direction of Mr. Ed Lewis. They gave numerous programs for both the high school and the junior high school and entered Texas Interscholastic League competition in the spring. They were featured in the Baccalaureate Exercises of the 1962 graduating class as the senior members sung with them for the last time.

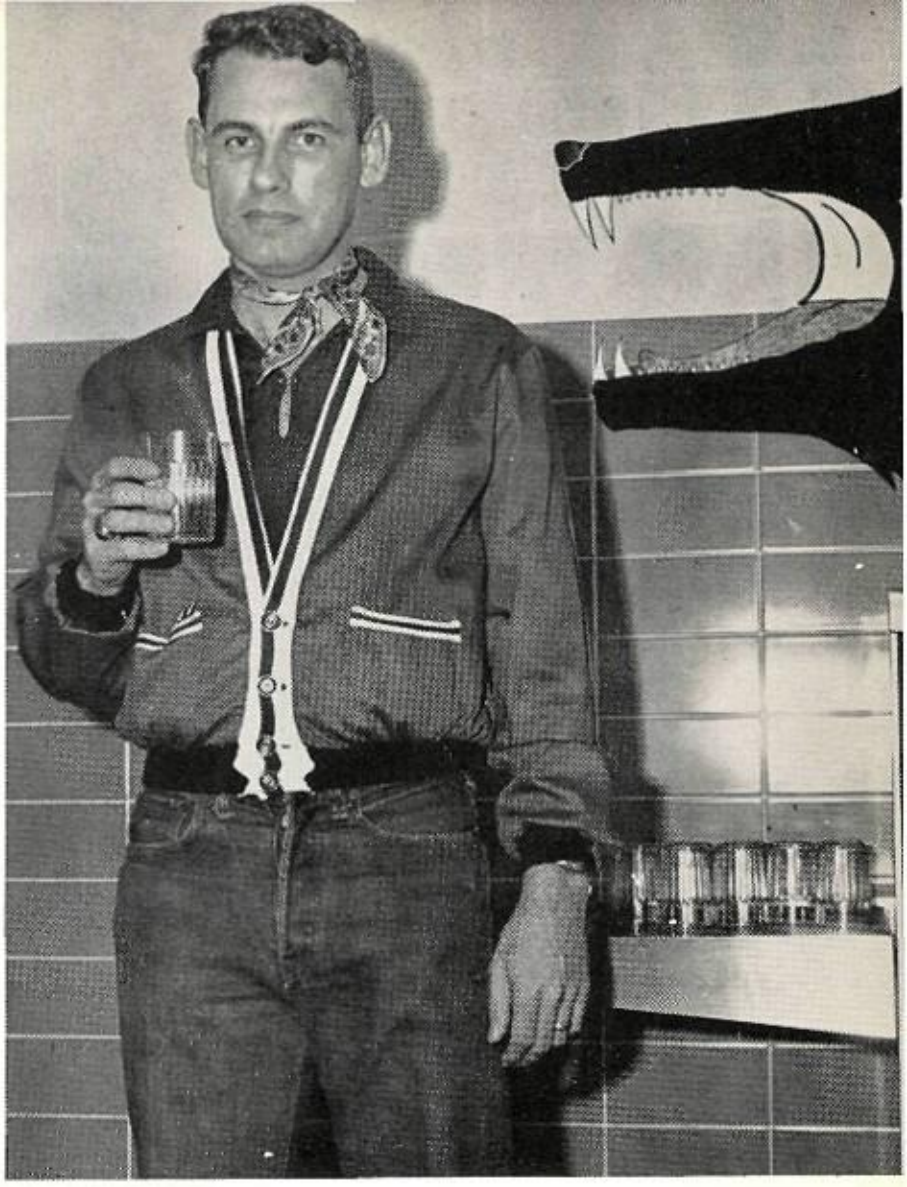
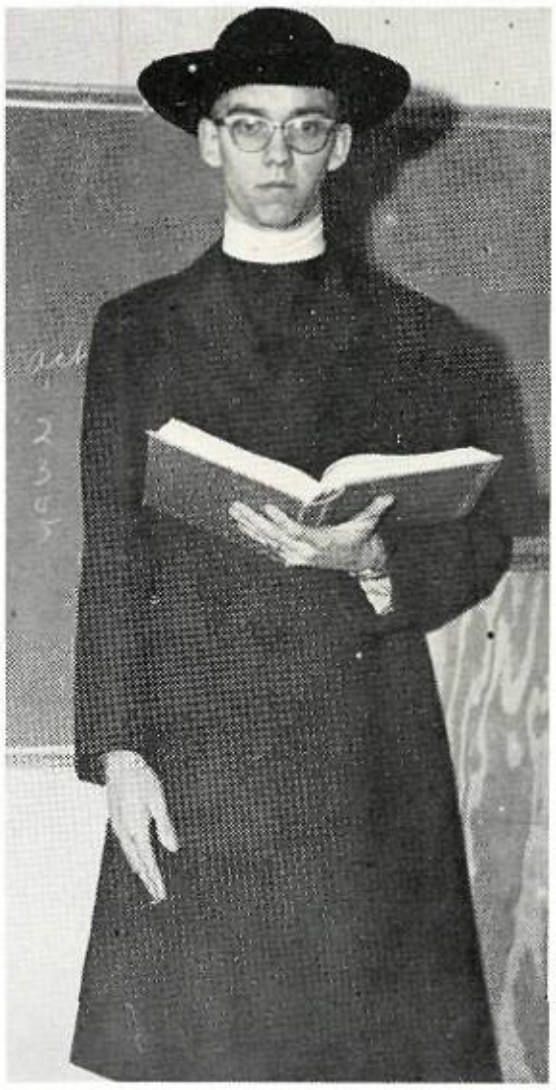
LHS Celebrates Western Day With Rip-roarin' Fun

ABOVE: Selected as Mr. and Miss Western Day by their classmates were Austin Simpson and Teresia Winegar. Both were seen frequently in the halls of LHS together this year.



ABOVE: Gene Autry??? "Nope," its only Mr. Webb enjoying a Drink (of water) in his Western Day Garb.

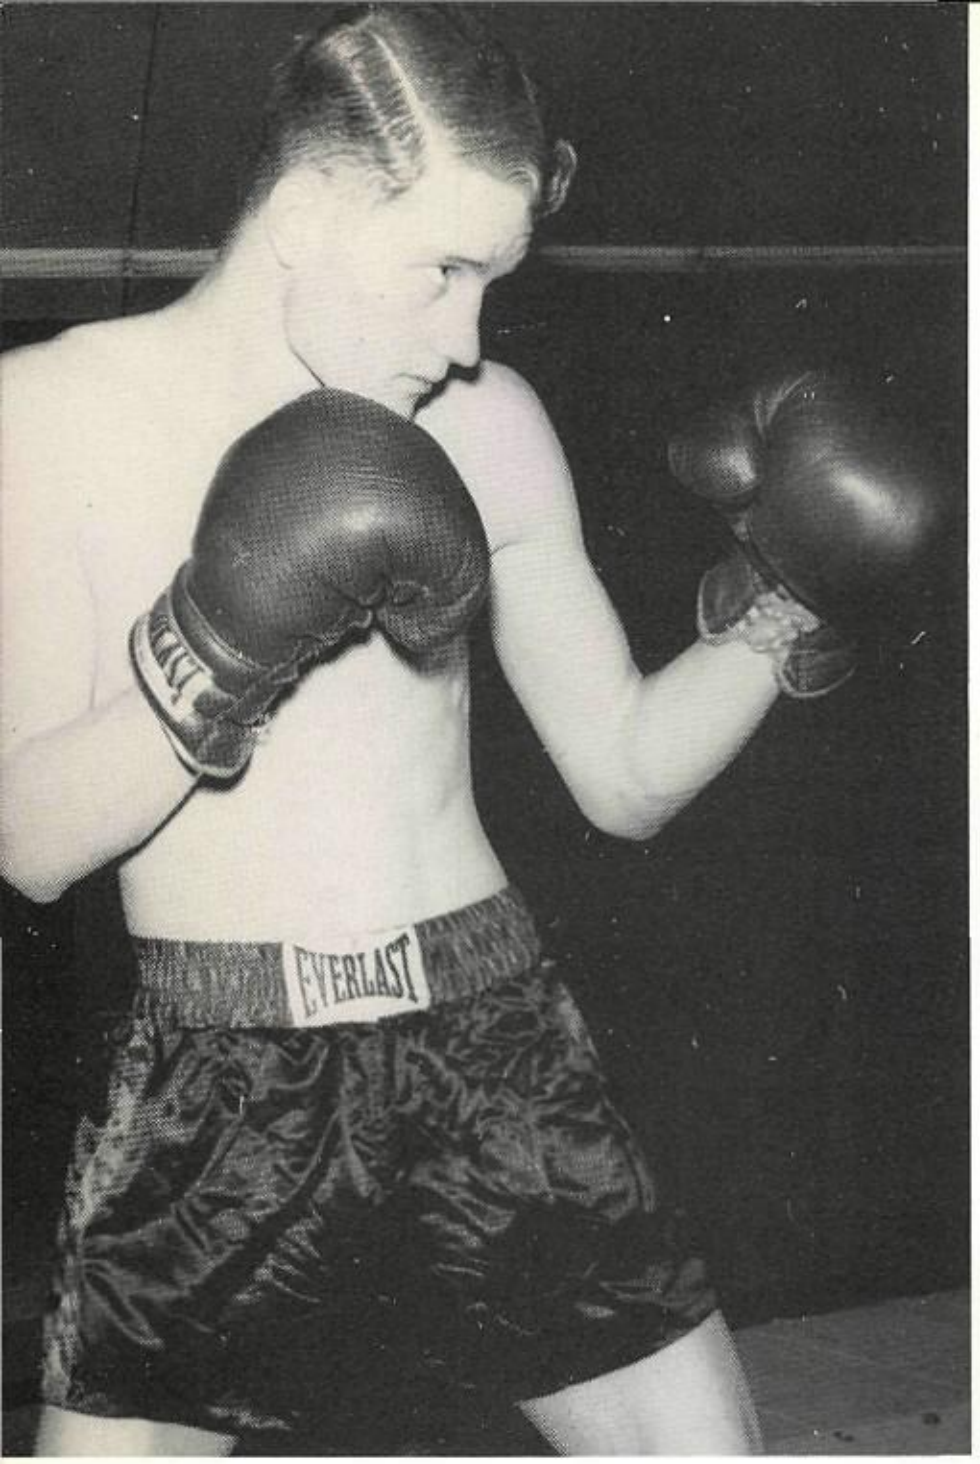


RIGHT: James Hogue really went all out on Western Day with one of the most realistic and complete costumes seen in LHS that day. He very authentically portrayed an old frontier preacher.

BELOW: An active group of LHS'ers (all members of the 4th Period Journalism class) enjoy Western Day.

LEFT: For the second year in a row Mr. J. B. Balch, LHS science teacher, was selected as one of the top teachers in Texas. LHS is very proud of Mr. Balch's achievements and students tell us that they thoroughly enjoyed his chemistry and physics classes this past year.

Activities . . .



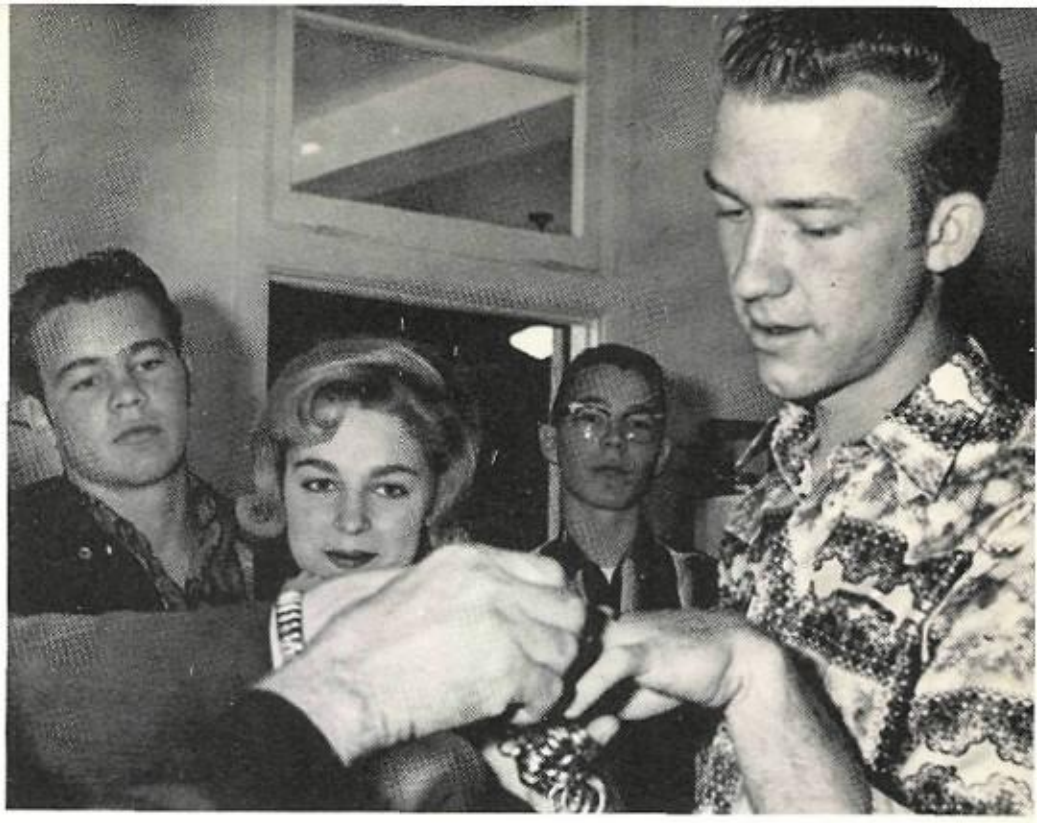
LEFT: Senior, Carson Watt, became the second Watt to win the Texas Middleweight Golden Gloves Championship. His brother Gary preceded him in this feat. Carson went to the National Tournament of Champions in Chicago, Ill., but was decisioned in the quarterfinals.

BELOW: Athletic Director and Head Coach, Johnnie Hickman presents co-captains of the 1961 Lobo Varsity Football Squad, Doug Reed and Pat Campbell, their letters.

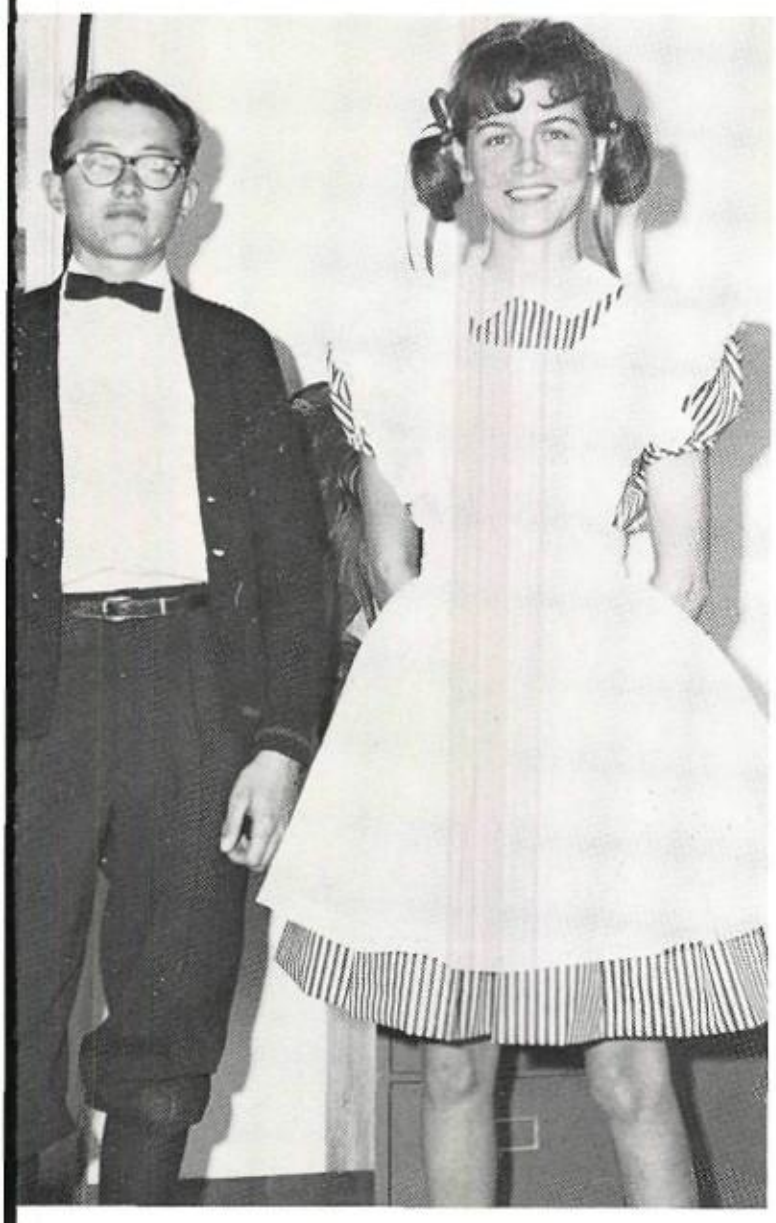
BELOW: First Semester Honor Roll Members and National Honor Society Members of Hockley and Cochran County schools were honored by the local Scottish Rite Association and South Plains College at a banquet at which the keynote speaker was Virgil Trout shown at the podium.

BELOW: Receiving a twenty year pin for service in the Levelland Public School System is Mrs. Nina Birtciel; senior English teacher. Presenting the pin is our principal, Mr. Reed.

"Diaper Set" Invades LHS



RIGHT: An annual event of the Juniors is the measuring for the Senior rings. Sammy Newberry is seen here discussing ring sizes with the local salesman as he places his order. Fellow-Juniors Mike Fietz, Sheri Faulkner, and Randy Hodges wait in line as they watch expectantly.



LEFT: A delightful event for the Seniors each year is KID DAY. Two people are selected by the Senior sponsors as the ones most typically dressed to represent the event. This year's selections, Kenneth Turner and Karen Palmer, are pictured here in their costumes.

RIGHT: Another colorful (?) costume is modeled here by Jimmy Martin. An assembly is featured on KID DAY with each Senior displaying his outfit as he walks across the stage. These costumes are sometimes deceiving as can be seen here.

LEFT: Levelland High School participants seek information as to the various rooms in which they will participate during the District Texas Interscholastic League. The meeting was held at Frank Phillips College in Borger. Levelland took top honors in the competition and several of its participants advanced to the regional meeting.

Seniors Prepare for Graduation

Final preparation for Graduation starts early in April as the Seniors are measured for their caps and gowns.

EXTREME LEFT: Rocke Hill is measured by Buford Chamberlain as they discuss graduation plans.

LEFT: As the caps and gowns finally arrive, the Seniors become more aware of the rapidly approaching final day in their high school years. Rocke Hill receives his cap and gown from Mr. Reed.

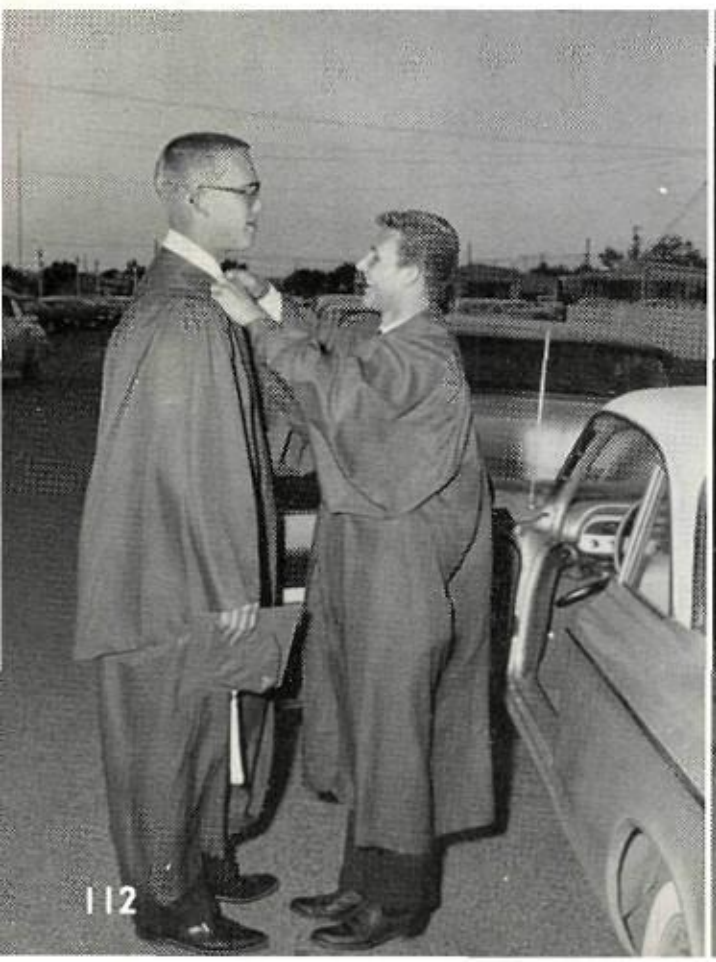
The big night finally arrives and the Seniors finish their last minute preparations.

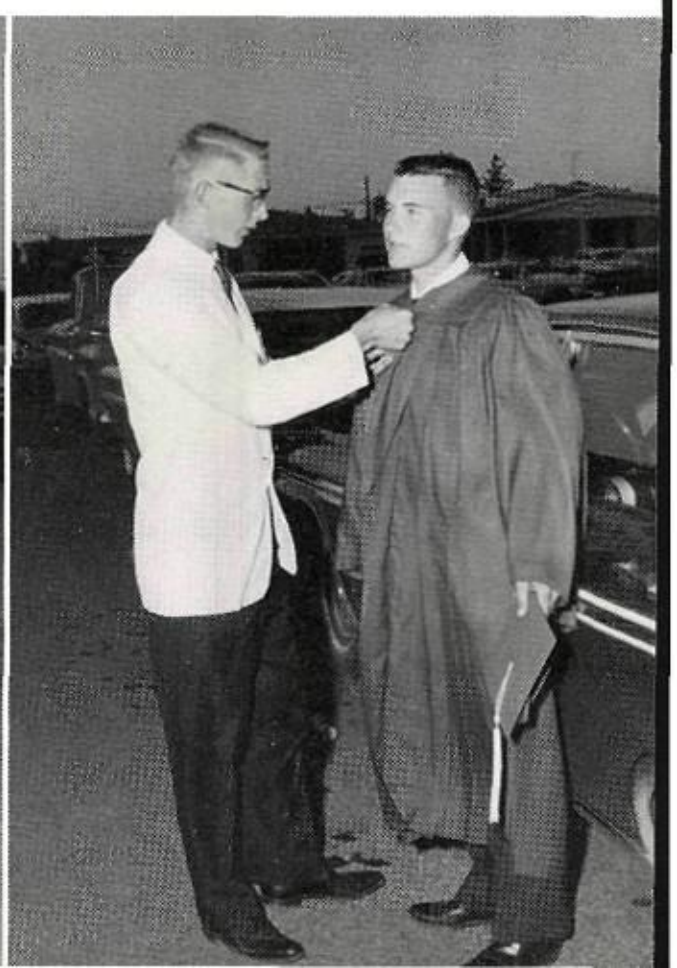
LEFT: Mrs. Guinn presents her daughter, Betty Ann, the class flower, a white rose, as she expresses her congratulations.

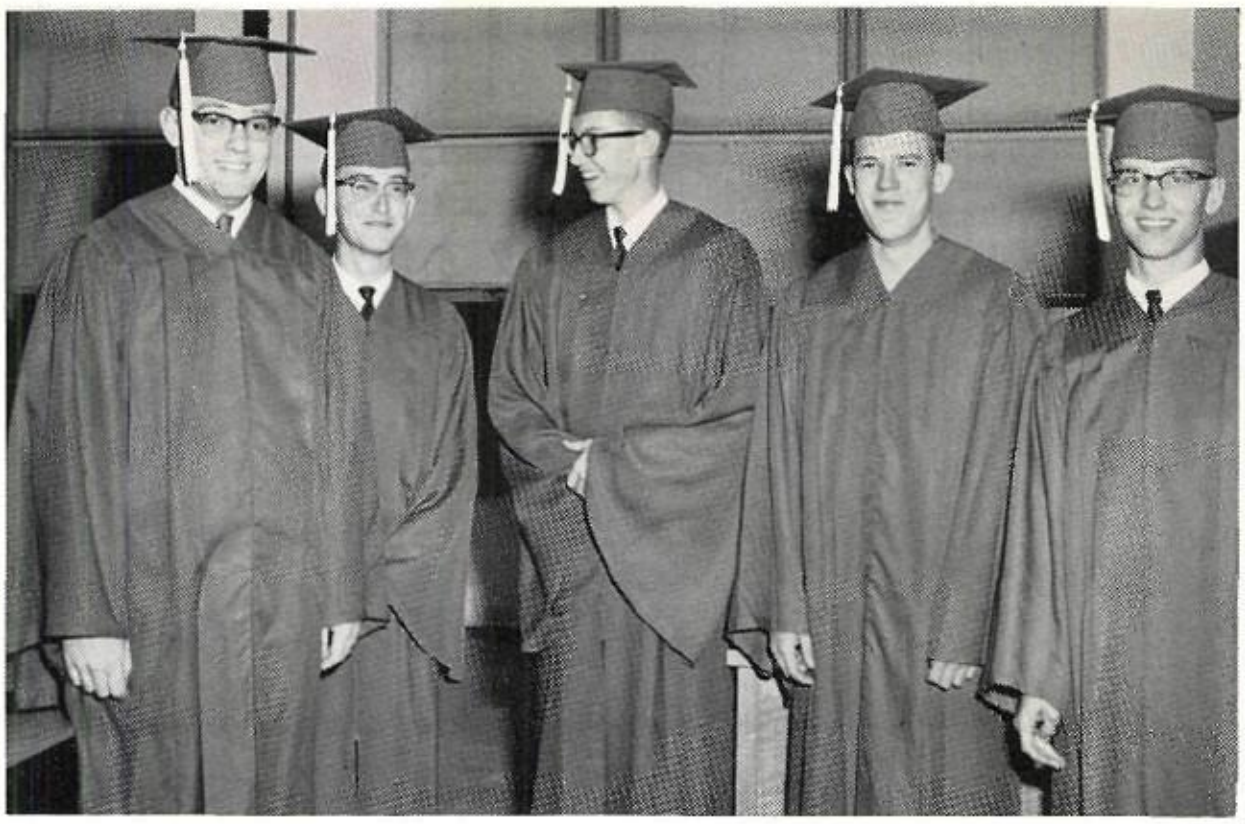
BOTTOM LEFT: Buford Chamberlain straightens Doug Reed's gown before they enter LHS for the last time as students.

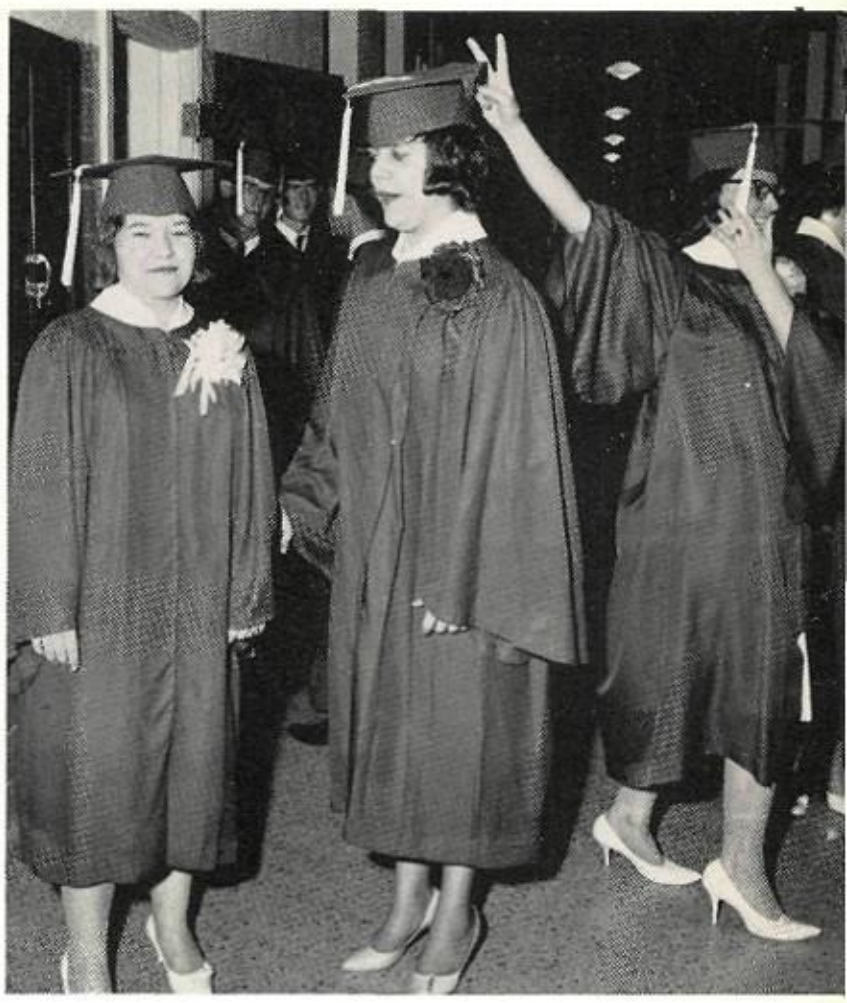
BOTTOM CENTER: As Sue Parsons escorts Wayne Howard into the building, she looks forward to next year when she will be wearing the traditional cap and gown.

BOTTOM RIGHT: Robert Allsup helps Homer Myers with his gown before the program for the night.









Emotions are mixed as the 1961-62 graduating Seniors prepare to leave behind them their high school days and enter a new world as adult members.

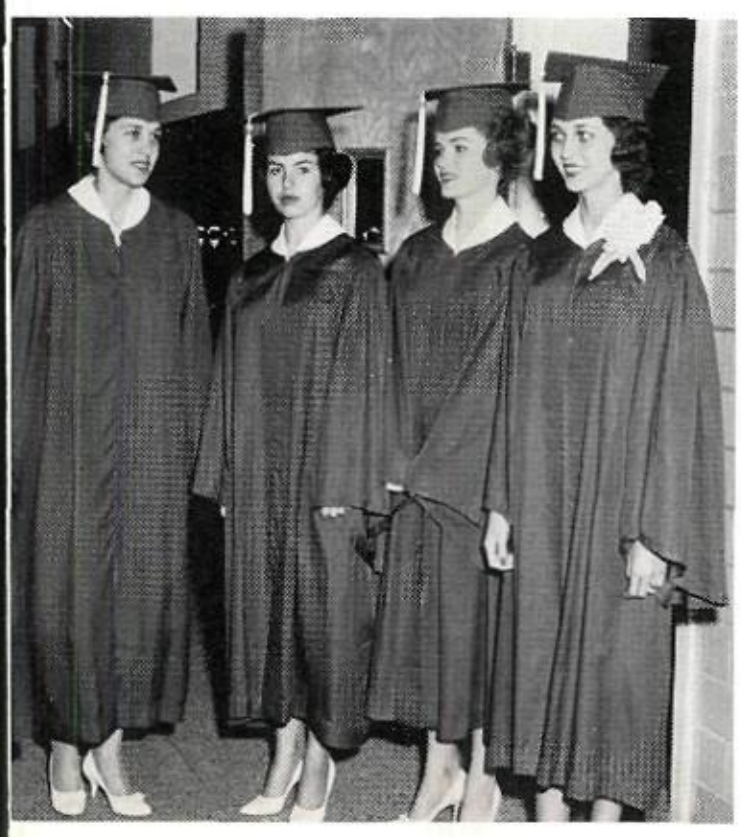
TOP LEFT: "We already miss LHS," says Seniors Larry Van Stavern, Joe Boggs, Kenneth Turner, Roland Sullinder, and Mickey Ratliff.

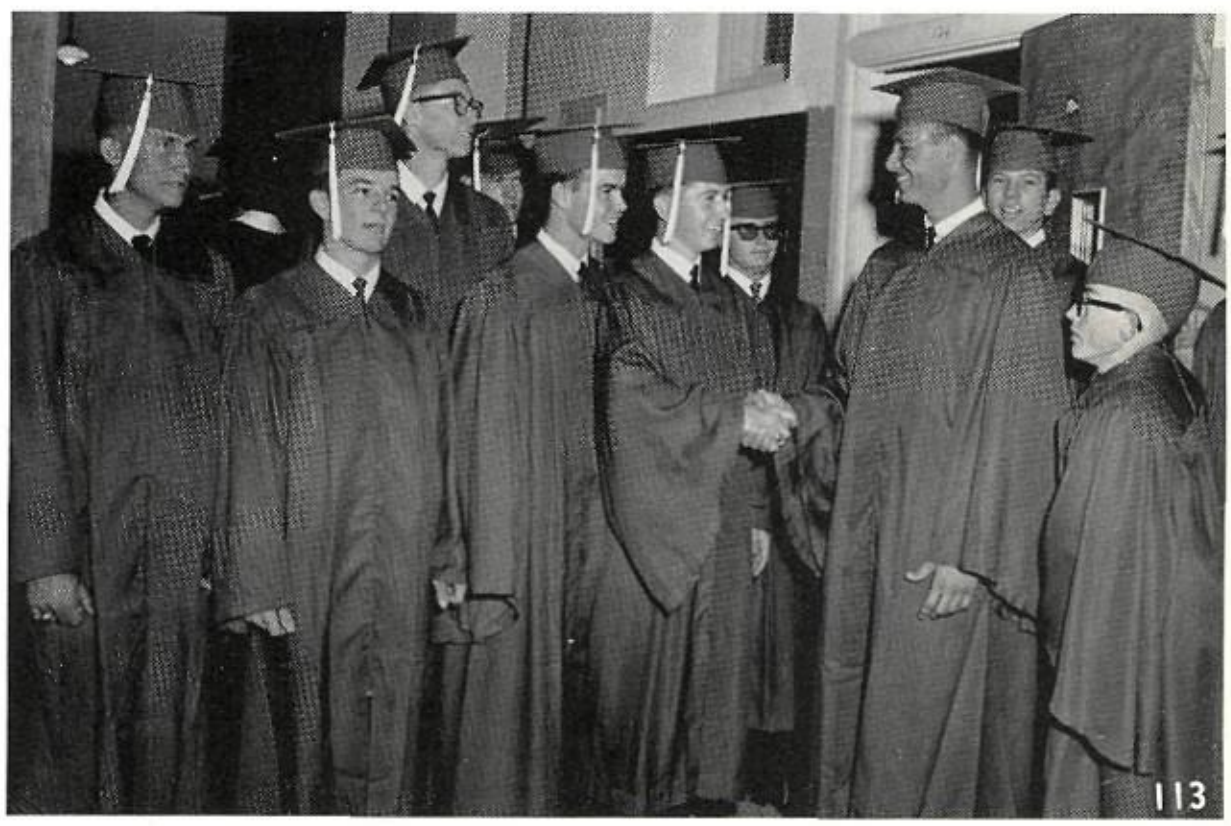
TOP RIGHT: There's always a clown! Phyllis Railsback seems to have disturbed Anita Shipman's and Sharon Harper's conversation.

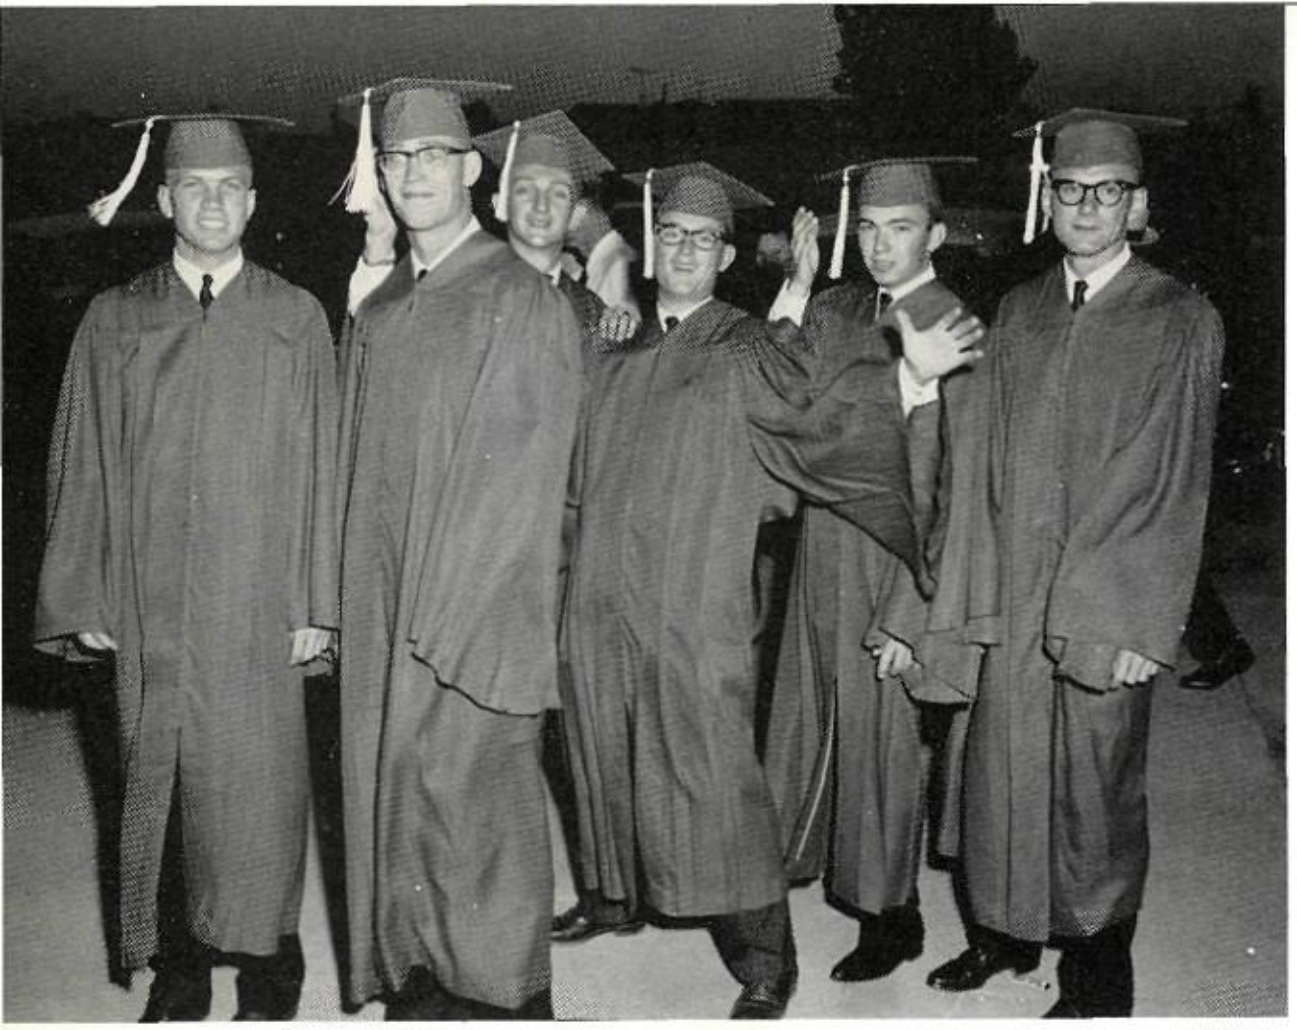
Baccalaureate Service — May 27

LOWER LEFT: "Come on Linda, smile!" Betty Ann Guinn, Teresia Winegar, and Janice Ballow seem to be urging Linda Rogers.

LOWER RIGHT: "Parting is such sweet sorrow!" says Jimmy Polasek to Stanley Kruljac as John Porter, Tim Conaster, Kenneth Turner, Jackie Oxford, Steve Willingham, Johnny Thornton, Maurice Stephenson, and Nelson Brock look on.

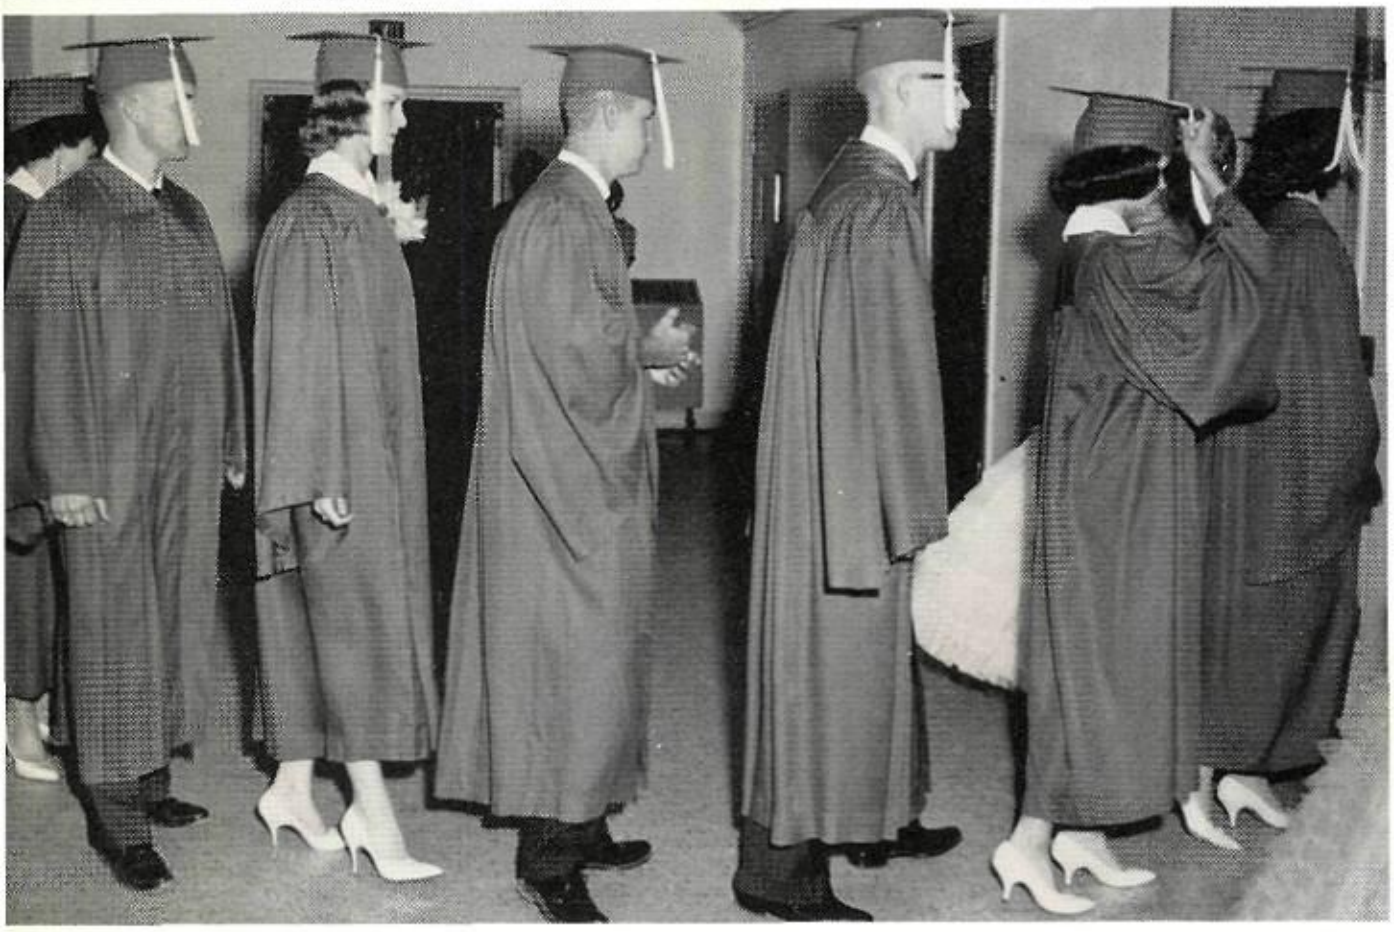






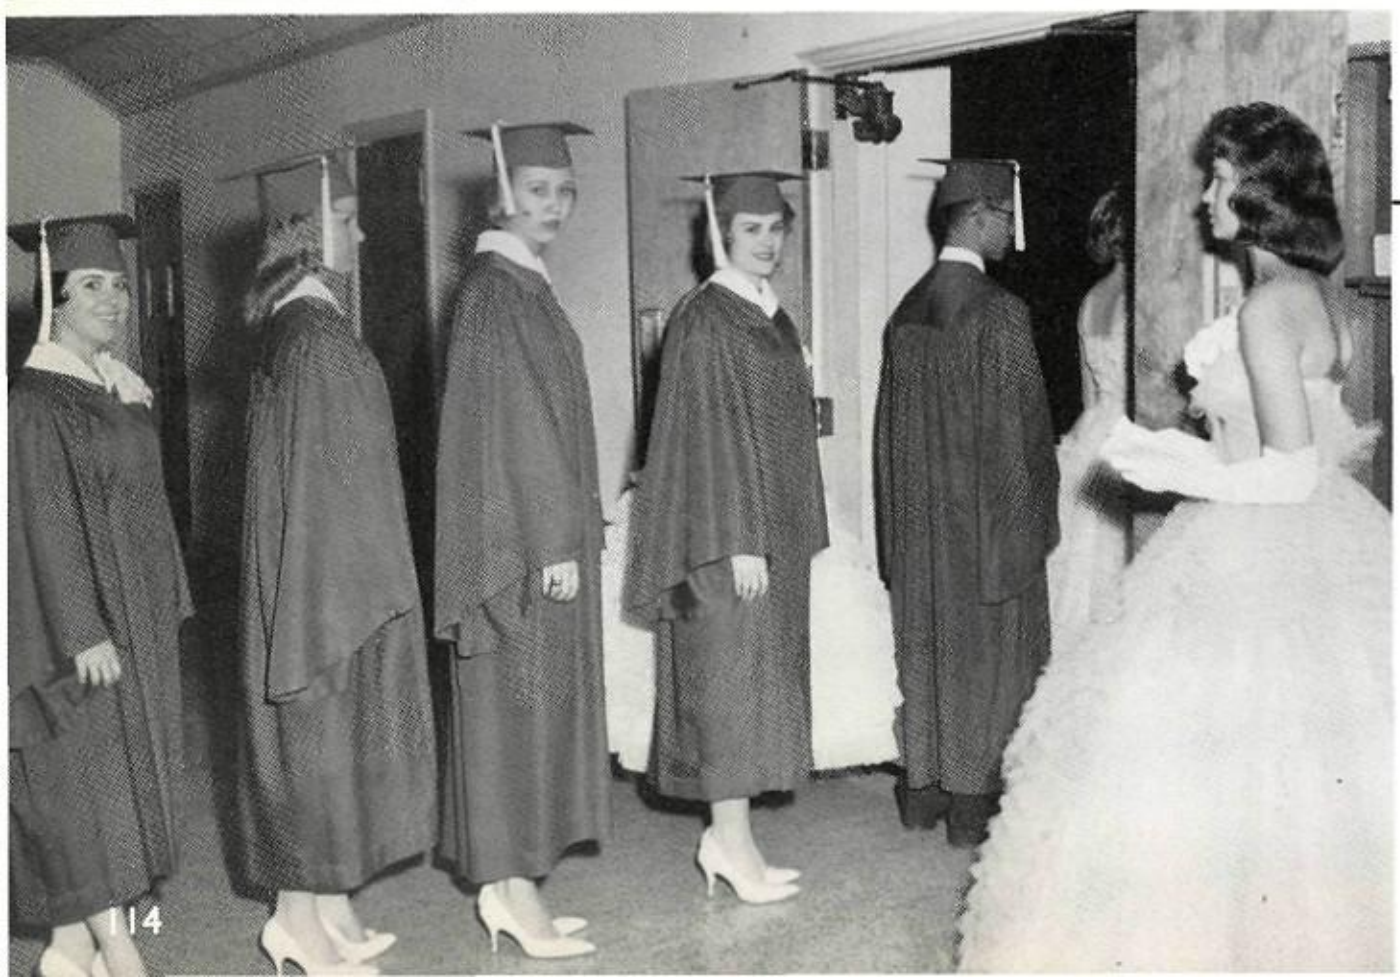
LEFT: "I feel like singing!" Ten minutes before graduation exercises begin and everyone is happy. Joining in the celebration are: Robert Simpson, Doug Reed, Gary Jester, Jerry Curry, Raymond Slaton, and David Schmidley.

CENTER: The music has started and commencement begins. Filing into the auditorium are Judy Mayfield, Sue Moore, Paul Morse, Jimmy Mulkey, Nancy Musslewhite, Homer Myers, Carol Roberts, and Gary Rush.



LOWER LEFT: "Who's that cute little man with the camera?" Seniors entering LHS auditorium are sometimes happy, sometimes sad. Shown are Kay Woodson, Loretta Savage, Kay Langrill, Jeannie Wiles, Bobby Davis, Judi Taylor, and Donna Helms.

LOWER RIGHT: Lobo Loyalty was sung for the last time by the Seniors at the close of the exercise.



LOBO LOYALTY

Our Scarlet and Black
Is a symbol that honors
The spirit that reigns in our High
of courage and sportsmanship
Shown by the Lobos
Whose motto is, "We do or die."
Here's to our Alma Mater
We're proud to defend you
and Loyal through all we will be.
Your standards we'll glorify
Victory is our Cry,
We're proud of our Levelland High

LEFT: Dr. L. D. Haskew presented the address at the Graduation Exercise. He is the Vice-Chancellor at the University of Texas. Dr. Haskew's topic was "What is a Head?" After announcing to the audience that the main guests at the event were the Seniors, he asked the Seniors to rise and be recognized by the audience.

RIGHT: Lucretia Adams looks pleased as she walks across the stage to receive her diploma from O. L. Watson.

El Lobo Farewell

As the Staff packed the final copy sheets for Taylor Publishing Company, we paused to take inventory of our material. We sincerely hope we have included pictures and copy of the highlights of the 1961-62 year in Levelland High School. As the halls grow dim and the classrooms quiet, we hope this book will bring back memories of this year and hold this living school forever in your memory.
